SRI SATHYA SAI VIDYA VIHAR, INDORE

ACHIEVEMENTS

SEPTEMBER

2026

"When we "skill" our knowledge, life is well-balanced.
When we "kill" our knowledge, the balance is upset."

– Sri Sathya Sai Baba

School Achievement

We share with immense pride that our school has been honoured with recognition in 3 categories by Edu Expo Global School Excellence Awards, 2026 at Yashobhumi Dwarka , New Delhi powered by Brainfeed.

1. Leadership Excellence & Visionary School Management

2. Outstanding Academic Excellence & Learning Outcomes

3. Innovation in Teaching- Learning Methodologies

(English faculty)

Dr. Naresh Koli
(Hindi faculty)

Mrs. Amarjeet Kaur
(Hindi faculty)

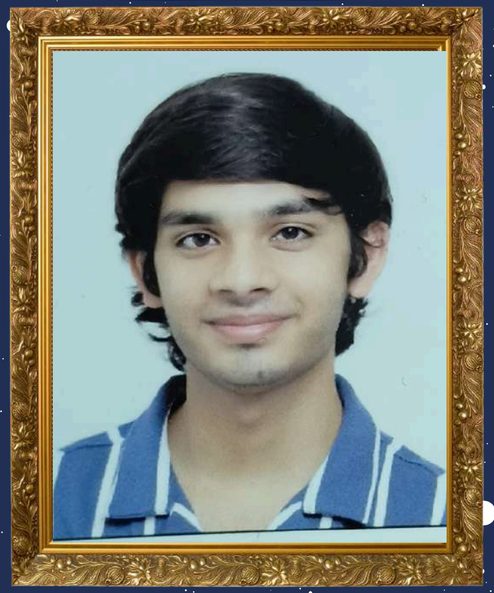
ALUMNI ACHIEVEMENT

It fills our hearts with immense joy and pride to witness the heights our students scale through sheer perseverance, discipline and dedication.
Our alumnus, **Aakash Chaturvedi (Batch of 2021)**, driven by an enduring fascination with science, he demonstrated exceptional resilience by qualifying for the prestigious Indian Institute of Technology (IIT) Delhi, earning his B.Tech in Engineering Physics (Class of 2026). Carrying forward his deep-seated passion for fundamental research, Aakash has
now achieved global recognition.

We are proud to announce that he has been admitted to the Graduate School of Science at Osaka University, Japan, in their prestigious International Physics Course (IPC) Master's Program, commencing from October 2026.

During his graduate studies, Aakash will be conducting advanced research in the cutting-edge domain of Laser Plasma Physics under the mentorship of Prof. Natsumi Iwata, Head of the Theory for Open Systems Plasma Group at Osaka University's renowned Institute of Laser Engineering. Aakash's journey stands as a shining testament to what dedication, curiosity and steadfast pursuit of one's passions can achieve.

On behalf of the entire Sri Sathya Sai Vidya Vihar family, Management, Teachers, Staff and students - we extend our heartiest congratulations to Aakash and his proud family.
We wish him boundless success as he steps onto the global stage of scientific discovery and continues to make his alma mater proud.



Aahil joined our school in Grade II and completed his Senior Secondary Education in the Commerce stream with Computer Science. With a keen interest in business, technology, and innovation, he is currently pursuing Industrial Engineering and Management (IEM) at Constructor University, Bremen, Germany.

We extend our heartfelt wishes to Aahil for continued success and excellence as he embarks on this exciting new chapter. May he continue to learn, grow and achieve greater heights.

We are proud to share that our alumna, Dr. Vibhuti Sachdeva (Batch of 2016), currently pursuing her 3rd year Postgraduate training in Oral & Maxillofacial Surgery, had the honour of presenting a Journal Club at the national level on the platform of the Association of Oral & Maxillofacial Surgeons of India (AOMSI). Her presentation was on

"Elastic Scattering Spectroscopy for Intraoperative Oral Cancer Mucosal Margin Guidance."

We congratulate Dr. Vibhuti on this remarkable academic achievement and wish her continued success in her professional journey!
