

My Behaviour Check Challenge

**“Let us do something today to make our country proud.” -
Inspired by the teachings of Sri Sathya Sai Baba.**

**Love your country and show it with your actions.
Just like good communication builds character,
Patriotism helps us grow into responsible citizens.**

A true young patriot-

- **Respects the National Flag and Anthem.**
- **Keeps the surroundings clean.**
- **Speaks politely and kindly.**
- **Does not waste water, food, or electricity.**
- **Helps others and shares.**
- **Loves and respects all religions and cultures.**
- **Listens to and obeys elders.**
- **Says "Bharat Mata Ki Jai!" with pride. To keep the spirit of patriotism high let us try to do at least one patriotic action every day!**

I will not throw litter on the road.

I will greet others with a smile.

I will take care of public property.

I will say “Thank you” to our helpers—cleaners, soldiers, drivers.

I will read and learn about the great freedom fighters of our country.

My Bharat, My Pride!
