Five human values never part:
Truth, right conduct, peace profound,
Love and non-violence all around.**

Foundation Day reflects the school's commitment to holistic education based on the principles of Sri Sathya Sai Baba. Foundation Day serves as a reminder of the school's mission to foster academic excellence and character development . It is a day of pride and joy for the entire school community, honoring the values and vision that have guided the institution since its inception, and inspiring students to embody these ideals in their lives.
