SAVE
THE
EARTH

**Poem 'Come Together, Save the Earth'
has been published in Free Press**

Maitri Mishra (VII C)

INDORE | MONDAY | JULY 6, 2026

Come Together, Save the Earth

listen, my friend, listen, my dear,
The Earth is crying, shedding
many a tear.
We cut down forests, polluted
the streams,
Our precious Mother Earth is
losing her dreams!
The heat is rising, glaciers are
melting,
Nature is angry, and humans
aren't helping.
Plastic bags and clouds of pollu-
tion's smoke,
Wake up, dear humans—before
all hope is broke.
Don't just stand there, don't just
stare,
Change a little, show that you
care!
Don't just stand and look sur-
prised,
Be responsible, be caring, be
wise.
Plant more trees, throw waste

in the bin,
Together let's protect the Earth
we live in.
Time is short—we must act
today,
Only then will a better world
come our way.
Green Earth, Clean Earth—that
is our aim,
Come, let's save our planet, and
win this game!
