Good job!

**LOVE IS  
MORE POWERFUL  
THAN HATE**

In a world so big, I learned today,  
That love can make the hate go away.  
I may be just right, but I can see,  
Love's stronger than hate, its clear to me.  
When I hug my teddy, or share my toys,  
I feel a warmth that fills me with joy.  
Hate may be loud, it  
might make a fuss,  
But love is gentle, its always a plus.  
With love in our hearts,  
we can all be friends,  
And make the world better,  
where hate never ends.  
So lets smile and share and  
appreciate,  
That love's the stronger at any rate.
