HON'BLE PRIME MINISTER'S ADDRESS AWAKENING YOUNG MINDS

The Management, Staff and Students of Sri Sathya Sai Vidya Vihar, Indore had the privilege of being a part of live telecast of Honourable Prime Minister's Motivational Address on 'Nasha Mukt Yuva for Viksit Bharat', addressed by the Hon'ble Prime Minister of India, Shri Narendra Modi, on Sunday, 2nd August 2026.

At the onset everyone presente took the pledge for 'Nasha Mukt Yuva for Viksit Bharat'. An inspiring street play was presented to encourage everyone to stay away from substance abuse.

Thereafter, in his inspiring address, the Hon'ble Prime Minister called upon students and youth, stating that a drug-free youth is the strong foundation of a developed India. He encouraged young people to stay away from social evils such as substance abuse and adopt a healthy lifestyle and motivated them to play an active role in nation-building with discipline, moral values, self-confidence and positive thinking.

On the occasion, the Principal of the school, Dr. Anju Chopra, stated that the Prime Minister's inspiring message would play a significant role in strengthening students' personality development, moral values and sense of responsibility towards the nation. The school management stated that Sri Sathya Sai Vidya Vihar has always accorded the highest priority to education along with values, service and character building, and remains committed to nurturing students into responsible and exemplary citizens.

We had the honour of welcoming the Hon'ble Collector, Indore, Mr Shivam Verma to our campus.

Happy Heavenly Birthday, Revered Shri Madhav Paranjape Sir

On your heavenly birthday, we offer our deepest reverence and heartfelt gratitude to a visionary educator, an inspiring mentor, and the true Doyen of Education.

Your unwavering commitment to nurturing young minds, your noble ideals, and your legacy of value-based education continue to illuminate our path..

Your wisdom, compassion, and guiding spirit remain deeply embedded in the hearts of countless students, teachers, and well-wishers.

May we continue to honour your cherished vision through our thoughts, words, and deeds.

With profound respect and eternal gratitude, we remember you today and always.

THE JOY OF GIVING: A TRIBUTE IN LIGHT AND LETTERS

On the heavenly birth anniversary of our deeply revered Director, Shri M.G. Paranjape Sir—the peerless doyen of education and a visionary who shaped countless destinies . His warmth of his wisdom continues to illuminate our paths. To honor a life so magnificently dedicated to the sacred pursuit of enlightenment, we believed there could be no grander tribute than to bequeath the gift of learning to those walking in the shadows of deprivation.

Today, our students distributed books, note books and stationery items in the slum areas

The Joy of Giving: Grade 4 children doing community service

Divine Service – Gau Seva

As an expression of love, compassion and selfless service, the children participated in Gau Seva, embracing the sacred opportunity to care for and serve the gentle cows. The activity sensitised the children to the dignity of all living beings and nurtured values of empathy, kindness and responsibility. Through this humble act of service, the students experienced the joy of giving without expectation and understood that service to creation is indeed service to the Divine.

"Love All, Serve All" — a simple yet profound lesson that the children carried in their hearts.

By the divine grace of Bhagawan Sri Sathya Sai Baba, every life that comes into our school is cherished with love and compassion.

Our little feathered friend, Chunmun, fell from the palm grove in the Saraswati Quadrangle few days ago .

With timely rescue and unwavering affection, Ms. Alka Vyas lovingly nurtured the tiny bird, ensuring it received warmth, nourishment, and constant care.

Chunmun has now reached a delightful milestone—taking its first bites of banana independently!

Watching this fragile little life grow stronger each day is a heartwarming reminder that love, patience, and selfless service can work wonders.

At Sri Sathya Sai Vidya Vihar, compassion is not merely taught—it is lived. Every act of kindness reflects Baba's message of "Love All, Serve All."

नन्हे शौर्यवीर का बड़ा संकल्प:

5 वर्ष की आयु में कैंसर मरीजों के लिए किए **12** इंच बाल दान

समाज में सेवा और मानवता की मिसाल केवल बड़े ही नहीं, बल्कि छोटे बच्चे भी प्रस्तुत कर सकते हैं। इसका प्रेरणादायक उदाहरण सत्य साई विद्या विहार के बाल वाटिका के छात्र शौर्यवीर प्रजापत ने पेश किया है। मात्र **5** वर्ष की आयु में शौर्यवीर ने कैंसर मरीजों की सहायता के लिए अपने बाल दान कर एक सराहनीय और प्रेरणादायक कार्य किया है।

शौर्यवीर के बाल लगभग **14** इंच लंबे थे। उन्होंने उनमें से **12** इंच बाल कैंसर मरीजों के लिए विग (**Wig**) बनाने हेतु दान कर दिए। उनके इस निस्वार्थ योगदान से उन मरीजों को आत्मविश्वास और नई उम्मीद मिलेगी, जो कैंसर उपचार के दौरान अपने बाल खो देते हैं।

शौर्यवीर ने अपने बाल **Cope With Cancer–MADAT, Mumbai Trust** को दान किए हैं, जो कैंसर मरीजों के लिए हेयर डोनेशन के माध्यम से विग उपलब्ध कराने का सराहनीय कार्य करता है।

इतनी कम उम्र में शौर्यवीर द्वारा किया गया यह सेवा कार्य न केवल उनके संवेदनशील और उदार व्यक्तित्व को दर्शाता है, बल्कि समाज के लिए भी एक प्रेरणा है। उनका यह कदम हमें सिखाता है कि दूसरों की मदद करने के लिए उम्र नहीं, बल्कि संवेदनशील सोच और सेवा का भाव आवश्यक होता है।

शौर्यवीर की इस प्रेरणादायक पहल पर उनके परिवार, विद्यालय तथा सभी शुभचिंतकों ने गर्व व्यक्त करते हुए उनके उज्ज्वल भविष्य की कामना की है। आशा है कि उनका यह नेक कार्य समाज में अधिक से अधिक लोगों को मानव सेवा के लिए प्रेरित करेगा।

नन्हे शौर्यवीर का बड़ा संकल्प

5 वर्ष की आयु में कैंसर मरीजों के लिए किए 12 इंच बाल दान

As part of the 'Joy of Giving' initiative, Naavisha Singh Chauhan of class 3 B participated in distributing food to people in need. It was a small act of kindness, but a meaningful experience that taught her the values of compassion, gratitude, and sharing with others.

We believe that charity is not just about giving, but about caring and making a positive difference in someone's day. It was heartwarming to see her experience the happiness that comes from helping others.

Thank you for encouraging children to learn such beautiful values through real-life experiences.

VISIT OF MR. VIKAS AGRAWAL, REGIONAL OFFICER CBSE BHOPAL

A Principals' Meet was convened at our school, bringing together Principals for an insightful and purposeful interaction.

The meeting was presided over by Mr Vikas Kumar Agarwal, Regional Officer (RO), along with Mrs Sudha Pandey Chairperson of the Indore Sahodaya School Complex, Mr U. K. Jha, Former Chairperson, Indore Sahodaya School Complex and Dr Anju Chopra, Principal of the school.

Addressing the gathering, Mr Vikas Kumar Agarwal elaborated upon the OSM (On-Screen Marking) system, with particular emphasis on the challenges encountered by educators during its implementation. He also shared the practical measures and strategies adopted by teachers to address and overcome these challenges, thereby ensuring a smoother and more efficient evaluation process.

The Regional Officer further highlighted the importance of sensitising students about the correct handling and presentation of answer scripts. He emphasised that students should be instructed to write clearly and appropriately, and to ensure that their responses are positioned in a manner that facilitates seamless and accurate scanning during the digital evaluation process.

The session was highly interactive, with the participating Principals raising pertinent questions and seeking clarifications on various aspects of OSM and the associated evaluation procedures. Their queries were addressed comprehensively, making the interaction both informative and constructive.

The meeting concluded on a positive note, with valuable insights being shared towards strengthening the assessment process and ensuring greater preparedness among both educators and students.

An enlightening seminar on "The Transformative Power of Artificial Intelligence" was conducted for the children of Grades 9 – 12. The speaker Mr. Tanmay Bakshi, an AI and Machine Learning wizard who, at just 22 years of age, has already carved an extraordinary niche in the world of technology shared his remarkable journey in the session amidst the presence of Honorary Secretary, Mr. Tribhuvan Sachdeva, Honorary Treasurer, CA Shaym Bhatia and Principal, Dr. Anju Chopra.

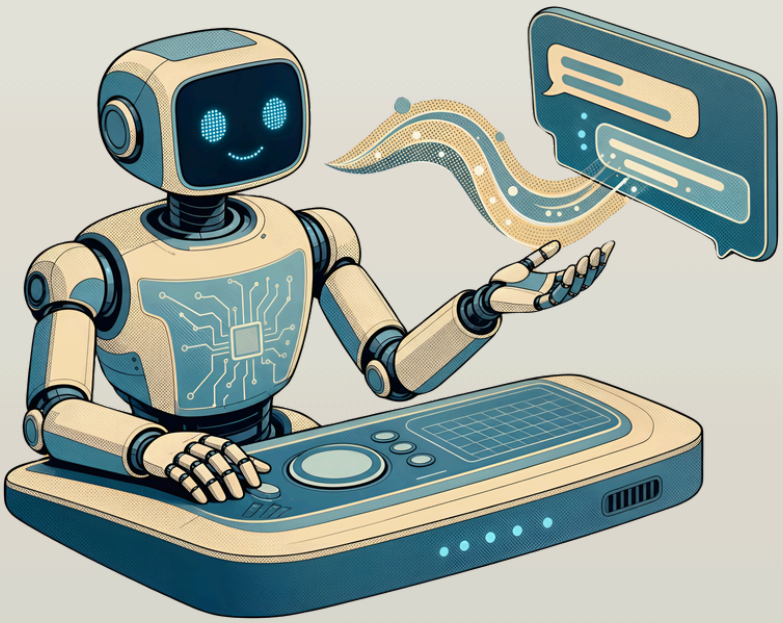

Mr. Bakshi spoke passionately about how his curiosity and dedication led him to explore the limitless possibilities of Artificial Intelligence and Machine Learning from an early age. Through engaging real–life examples, he explained how AI functions in our daily lives and highlighted several pioneering projects undertaken by him, demonstrating the immense potential of this rapidly evolving technology.

Addressing common misconceptions surrounding AI, he clarified that Artificial Intelligence is designed to simulate human intelligence and should not be viewed merely as a replacement for human jobs. Instead, he emphasised that AI will continue to develop more impressive capabilities that will amplify human potential rather than diminish it.

Mr. Bakshi patiently answered the queries of the children.

The seminar proved to be an enriching and memorable experience, igniting curiosity, fostering innovation.

THINK AI. LEARN AI. LEAD THE FUTURE.

Workshop on Student Leadership and the Future of Learning

An inspiring session on "Student Leadership and the Future of Learning" was organised for the students of Grades 11 & 12. The enriching programme was conducted by Mr. Justin G. Roy, Vice President for Enrollment Management at Albright College, USA and Mr. Abhishek Gupta, one of Asia's leading career counsellors and Founder and CEO of High School Moms and GIDE.AI.

Celebrating a legacy of over 170 years, Albright College is renowned for its world-class education, offering the best scholarships and an inclusive academic environment that nurtures students from diverse backgrounds to excel in an ever-evolving global landscape. Addressing the students, the speakers emphasised that while academic excellence opens doors, true success demands the harmonious development of the mind, body and spirit through leadership, character and values.

The session became even more memorable as two proud students of Sri Sathya Sai Vidya Vihar, Indore Angel Tiwari and Shreya Sarda, who have secured admission to Albright College with an extraordinary scholarship package of ₹2 crore and 1.5 crore respectively, the highest scholarship ever awarded by the college worldwide. They were felicitated amidst thunderous applause. Mr. Roy applauded the remarkable achievements of Angel Tiwari and Shreya Sarda, describing their success as truly exceptional. He remarked that it was a matter of immense pride that two students from the same country, the same state and the same school – Sri Sathya Sai Vidya Vihar have earned admission to Albright College with one of the highest scholarship awards ever granted by the institution. It was a truly heart-warming moment as the interviewer, Mr. Justin G. Roy, shared the stage with the successful applicants, celebrating their remarkable journey. The cherry on the cake was the announcement made by Mr. Justin G Roy that from now 1 scholarship will be reserved for a student of the school every year.

An engaging leadership activity further inspired students to think collaboratively, communicate effectively and embrace the qualities of confident future leaders.

EXPLORING NEW HORIZONS, SHAPING BRIGHT FUTURES!

Choosing the right career begins with understanding the opportunities that lie ahead. With this vision, Sri Sathya Sai Vidya Vihar, Indore organised two inspiring career counselling sessions on 'Emerging Career Options', led by esteemed CA Dhaval Gandhi, dynamic education entrepreneur and Founder & Director of Keyman Capital, PD Learning Curve, and UNOCUE.

The sessions were further enriched with the gracious presence of Shri Sachidanand Dubey, Former Additional Commissioner of Income Tax (International Taxation), Mumbai; Honorary Secretary, Mr. Tribhuvan Sachdeva; Treasurer CA Shyam Bhatia; and Principal Dr. Anju Chopra.

The sessions, 'Beyond IIT – Emerging Careers in Science' and 'Emerging Careers in Commerce, Humanities & Other Non–Science Streams', opened the doors to a world of exciting possibilities for students of Classes X, XI and XII. Moving beyond conventional career choices, CA Dhaval Gandhi encouraged students to discover their strengths, embrace emerging opportunities, and make informed decisions for the future.

The interactive sessions came alive as students enthusiastically asked insightful questions, which were answered with remarkable patience, clarity and practical wisdom, making the discussions both engaging and thought–provoking.

More than just career guidance, the sessions inspired our young learners to dream beyond boundaries, explore new possibilities with confidence, and take the first steps towards building meaningful and fulfilling careers. It was truly a memorable learning experience that will stay with them for years to come.

"Teachers should be examples of the values they teach." — Sri Sathya Sai Baba

A Capacity Building Programme on the National Curriculum Framework for School Education (NCF-SE) 2023 under the aegis of CBSE, was organised in Sri Sathya Sai Vidya Vihar, Indore, on 8th August, 2026 in the School Auditorium, to empower teachers with an understanding of emerging educational trends and strengthen their pedagogical practices.

The programme commenced with the soulful rendition of Omkaar followed by the school prayer song.

Principal and Venue Director, Dr. Anju Chopra, extended a warm welcome to the resource persons, Ms Aparna Vyas and Mr Shyam Agrawal, and the participating teachers.

The sessions aimed at honing teachers' skills and acquainting them with the vision and objectives of NCF-SE 2023, with particular emphasis on translating its key components into meaningful classroom practices.

Teachers explored the integration of cross-cutting themes such as Guidance and Counselling, Environment, Inclusion, ICT, Values and Rootedness in India with academic content, without compromising the ethos of individual subjects.

The programme was replete with a plethora of insightful presentations, meaningful videos, interactive discussions and enthusiastic participation, making it a meaningful professional learning experience.

A special orientation session was conducted by the Principal, Dr. Anju Chopra for the students of Grade 9 to familiarize them with the latest changes introduced in the CBSE curriculum.

The session provided valuable guidance, enabling students to approach the new academic framework with greater clarity and confidence.

A Tray Garden Workshop was organised for the children of Grade 3 under the able guidance of Mrs. Padma Kalani, Mrs. Neelam Tapadia, Mrs. Indumati Maheshwari and Mrs. Pankaj Soni, reputed Bonsai Masters of the City and our Governing Board Members.

The children discovered the fascinating world of plants and trees, learning about their characteristic features, importance and the many benefits they offer to life and the environment.

Adding a creative touch to their learning, the children enthusiastically designed and decorated their own tray gardens, with colourful accessories.

Tray Gardens: Little Green Worlds

A delightful journey into the world of nature unfolded for the children of Grade 4 during an engaging Tray Garden Workshop, conducted under the inspiring mentorship of Mrs. Padma Kalani, Mrs. Neelam Tapadia, Mrs. Indumati Maheshwari and Mrs. Pankaj Soni, eminent Bonsai Masters of the city and esteemed Governing Board Members of the school.

With sparkling eyes and eager hands, the children discovered the joy of nurturing their very own green friends. They enthusiastically participated in an enriching discussion about trees such as Neem, Banyan, Peepal, 🥭, Strawberry 🍓 and Moringa etc., exploring their distinctive features, characteristics and remarkable properties. The interaction beautifully helped them understand that every tree has a story, a purpose and a precious place in nature.

The little gardeners then brought their creativity to life, crafting vibrant tray gardens and adorning them with colourful balloons, tiny toys and charming accessories.

A delightful Tray Garden Workshop was organised for the children of Grades 5 & 6 under the expert guidance of Mrs. Padma Kalani, Mrs. Neelam Tapadia, Mrs. Indumati Maheshwari and Mrs. Pankaj Soni, eminent Bonsai Masters of the city and esteemed members of the School Governing Board.

The workshop gave the children a wonderful opportunity to connect with nature and discover the fascinating world of plants and trees. They explored their distinctive features, understood their importance and reflected on the many ways in which plants enrich life and nurture our environment.

Bringing learning to life, the children eagerly created their own tray gardens, thoughtfully arranging plants and adorning them with colourful accessories.

A Bonsai Workshop was conducted for the children of Grades 7 - 9 by Mrs. Padma Kalani, Mrs. Neelam Tapadia, Mrs. Indumati Maheshwari and Mrs. Pankaj Soni, eminent Bonsai Masters of the city and our Governing Board Members.

The children were introduced to the fascinating history and evolution of Bonsai, gaining an insight into how this ancient art form transforms trees into living expressions of patience, balance and harmony.

They were also apprised with nuances of wiring and pruning and learnt the importance of understanding a plant's growth pattern before shaping it.

The session also highlighted the essential aspects of caring for a Bonsai, including its watering, placement and regular maintenance.

The highlight of the workshop was the opportunity to create their own Bonsai using the elegant Tiger Bark Ficus. With enthusiasm and attention to detail, the students carefully shaped their plants and enhanced their beauty with thoughtfully chosen accessories.

1st Inter-School Shark Tank Competition

The 1st Inter-School Shark Tank Competition was organised on 25 August 2026. The central theme of the competition was "Innovation and Sustainability", with the inspiring tagline "Innovate Today, Sustain Tomorrow".

12 teams from reputed CBSE schools of the city participated in the event.

Principal, Dr. Anju Chopra, welcomed the esteemed judges, CA Anand Saklecha and CA Navin Khandelwal, the teachers and students of the participating schools. She also stated that today's youth are not only future entrepreneurs but also problem-solvers of the present.

The students enthusiastically presented their innovative ideas and projects before the judges in the Shark Tank format. Each team effectively presented the usefulness, feasibility, sustainability, social impact and market potential of their idea.

The judges appreciated the originality of the ideas presented by the students.

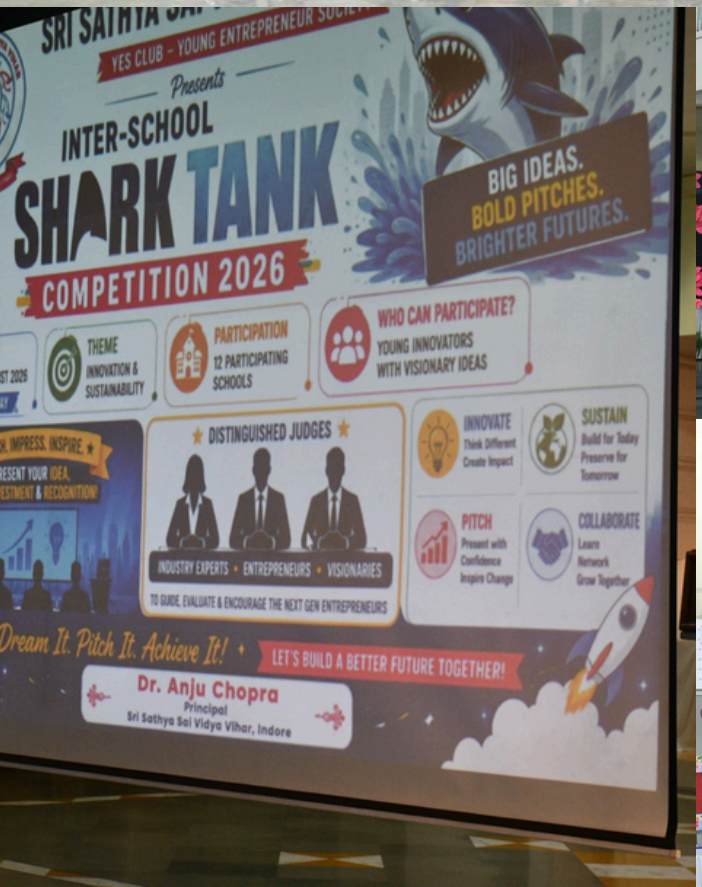

The winners of the competition were: 1st Position – DPS Nipania, Indore; 2nd Position – Sri Sathya Sai Vidya Vihar, Indore & Academic Heights School, Indore; and 3rd Position – SICA School, Scheme No. 78, Indore.

The event provided an excellent platform for developing the spirit of innovation, entrepreneurship and sustainable development among students and encouraged them to transform their ideas into useful real-life solutions.

BOOK FAIR

A Scholastic Book Fair was organised in the school. The fair showcased a wide range of books across diverse genres, catering to readers of all ages and interests. From timeless classics and inspiring biographies to engaging fiction, science, adventure and activity books, every shelf offered something captivating. The Book Fair was inaugurated by Principal. Dr. Anju Chopra, amidst cheers from the children marking the beginning of an exciting literary journey for students.

The interactive displays and intriguing titles sparked curiosity, encouraged reading habits and inspired young minds to discover the joy of books beyond the classroom.

The Dogman cartoon character visited the Scholastic Book Fair

Scholastic Book Fair -Bal Mandir

The Scholastic Book Fair had received a tumultuous response from the parents. The wonderful collection of books encouraged children to develop a lifelong love for reading and learning.

The fair featured a wonderful collection of storybooks, encyclopedias, activity books, general knowledge books, and inspiring biographies. Students eagerly explored the stalls and were delighted to discover books that matched their interests.
The initiative aimed to cultivate reading habits, enrich vocabulary, spark curiosity, and inspire young minds.
The Scholastic Book Fair was a memorable and enriching experience, reminding everyone that "Readers today are leaders tomorrow."

With the divine blessings of our beloved Baba, and a vision to make our campus more accessible and efficient, we are delighted to welcome a new infrastructural addition to our school, the Golf Cart, designed to ensure smooth and convenient movement across our sprawling campus, it will greatly benefit our guests and visitors.

New Beginning – Evening Proficiency Classes

With a vision to nurture every child's unique potential, the school has taken a meaningful new step by introducing the Evening Proficiency Classes.

The initiative provides children with a joyful space to discover their interests, develop their talents and learn new skills beyond the regular classroom.

The programme received a teeming response and enthusiastic participation of the children.

The cheerful participation of the children beautifully reflects the spirit behind this initiative—to nurture happy, healthy and confident children who are encouraged to follow their interests and discover the joy of learning.

Evening Proficiency is indeed a promising new beginning towards making learning more enriching, purposeful and joyful.

On the occasion of our School Foundation Day , the morning assembly in Bal Mandir began with soulful Bhajans, creating a peaceful and devotional atmosphere. ✨

🌟 A guided visualization inspired students to reflect on the five human values-Truth, Right Conduct 🌿, Peace 🕊️, Love, and Non-violence 🤝. The session concluded with heartfelt gratitude towards our school 🏫, parents 👨‍👩‍👧‍👦, teachers 👩‍🏫, and above all, Bhagawan Sri Sathya Sai Baba 🙏, for guiding us on the path of righteousness.

🧠🎉 The assembly also featured an exciting Foundation Day Quiz, where students participated enthusiastically and thoroughly enjoyed answering the questions. 🌟👏

🪔 The assembly concluded with the Aarti, led by Dinesh Joshi Bhaiya, filling the atmosphere with devotion, positivity, and gratitude.

With hearts full of gratitude and reverence, Sri Sathya Sai Vidya Vihar, Indore, marked its 46th Foundation Day, celebrating a journey of nurturing young minds on the pillars of love, truth, peace, right conduct and non-violence as taught by Bhagawan Sri Sathya Sai Baba.

The celebration began with the sacred chanting of Omkaram followed by soulful bhajans to invoke the blessings of the Almighty. This was followed by Bhagawan Sri Sathya Sai Baba's discourse, a reminder that true education is not merely gathering facts but bringing forth the perfection already within each individual.

A deeply moving highlight was a specially made commemorative video tracing the school's inspiring story over forty-six years. Through memories, milestones and achievements, the presentation reflected the school's continuing commitment to value-based education and touched every member of the Sai family with pride and gratitude.

The celebration continued with a treasured tradition, aarti, respectfully performed by Shri Mangilal Bhaiya.

The celebrations ended with hearts uplifted, grateful for the past, joyful in the present and hopeful for a future guided by His divine light.

Investiture Ceremony

The Investiture Ceremony marked a significant milestone as the newly elected Student Council formally embraced the mantle of leadership and responsibility. The ceremony celebrated the spirit of teamwork, discipline, service and commitment, providing the young leaders with an opportunity to step forward with confidence and purpose.

Head Boy- Akshat Jain, Head Girl- Divisha Joshi, President (Boy) - Raghavraj Suri and President (Girl) - Harnoor Kaur will lead the lead the Student Council along with the Ministers and House Prefectorial Members.

The newly elected members were invested with their badges and sashes, symbolising the trust placed in them by the school community.

As they assumed their respective roles, they pledged to uphold the values and ethos of the institution and discharge their duties with sincerity, dedication and diligence.

The young leaders were encouraged to lead by example, listen with empathy and work as a united team.

Congratulations and blessings to the Student Council.

🐯 International Tiger Day Celebration 🐯

Our Montessori little explorers celebrated International Tiger Day with boundless enthusiasm and joyful learning. Adorned in tiger masks, they confidently walked, roared, and explored the fascinating world of tigers through engaging activities.

The children discovered the uniqueness of tiger stripes, their habitat, and the vital role tigers play in maintaining nature's balance. They also learned the importance of conserving these magnificent creatures, as they are becoming increasingly endangered.

A day filled with fun, awareness, and a promise to Protect Tigers, Preserve Nature!

Morning Assembly in Bal Mandir was a beautiful blend of devotion, gratitude, and awareness as we celebrated Guru Purnima and International Tiger Day.

Our esteemed Principal, Dr. Anju Chopra, addressed the gathering with an inspiring message on gratitude and respect for our gurus and parents. She emphasized that our parents are our first gurus and encouraged everyone to honour and follow the guidance of both parents and teachers.

The assembly featured an informative talk on International Tiger Day, a meaningful Guru Purnima talk, a soulful Shloka and a heartfelt poem presented by our budding stars.

The gathering was further enriched with a melodious song and captivating dance performances by our young performers.

A special Hindi quiz on Guru Purnima added an interactive touch to the celebration. The assembly concluded with the Aarti, leaving everyone inspired by the values of gratitude, respect and devotion.

Teachers' Day

Teachers' Day was celebrated with great zeal and zest, honouring the beautiful bond between teachers and their students.

The programme began on a serene note with Omkaar and prayer, creating an atmosphere of gratitude and reverence.

The children then presented a vibrant cultural fiesta as their heartfelt tribute to their teachers. Through music, dance, TED Talk and soulful poem recitation, they expressed emotions that words alone could not capture. Every performance carried a message of love, admiration and thankfulness for the teachers who guide, encourage, patiently listen and stand by them through every step of their journey.

A special highlight was a short drama presented by the children, offering a touching glimpse into the everyday life of a teacher, beautifully reminding everyone that behind every lesson is a teacher who gives a little of themselves each day.

The Parents' Committee added warmth and cheer to the occasion with the presence of Prof. Dr. Rajeev Sharma. His poetry, heartfelt words and delightful puns had everyone in splits, making the celebration all the more memorable.

It was truly a day when teachers felt celebrated, valued and deeply loved.

Day

With deep respect, warmth and heartfelt appreciation, Mrs. Anita Didi , lovingly associated with the Bal Mandir children was accorded a graceful and affectionate farewell on the occasion of her retirement after 34 years of dedicated services.

As a token of the school's gratitude for her dedicated services and cherished association, she was honoured with a shawl, a garland and sweets amidst an atmosphere of love and goodwill. The occasion was marked by fond memories, heartfelt emotions and sincere appreciation for her contribution to the institution.

The school family conveyed its heartfelt gratitude and wished her a life filled with good health, happiness, peace and fulfilment in the years ahead. Her dedicated presence will always remain warmly cherished and fondly remembered.

The morning assembly on 1st July, 2026 commenced on a serene and positive note with the chanting of Omkaar, followed by the Gayatri Mantra and a soulful bhajan, creating an atmosphere of peace and mindfulness. Students enthusiastically shared interesting facts and insights about National Doctor's Day, National Postal Worker Day, and Chartered Accountants Day, helping everyone understand the significance of these important observances.

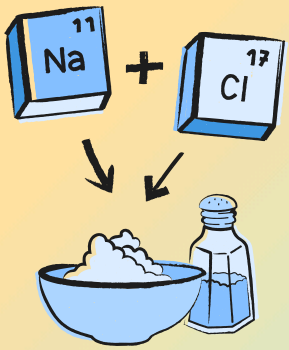

Adding an element of curiosity and excitement, an engaging demonstration on the Magic of Salt Water Light was conducted, leaving the children fascinated and eager to understand the science behind it.

The assembly also featured a thoughtful Role Play on Road Safety emphasizing the civic values presented by the students, effectively highlighting the importance of being responsible and aware citizens. Through this presentation, the children reinforced the value of following traffic rules, practicing civic responsibility and contributing towards building a safe and disciplined society.

The Principal urged the children to love and respect everyone and narrated an inspiring story of the life lessons narrated by Lord Krishna to Arjun.

The assembly ended with the School Anthem and the National Anthem.

HONOURING THE PILLARS OF OUR NATION

The Montessori children celebrated National Chartered Accountants Day and Doctors' Day with great enthusiasm and joy. The highlight of the day was an engaging and eye-catching puppet show on the theme of saving money, which beautifully conveyed the importance of financial awareness.

Children came dressed as Chartered Accountants and Doctors, showcasing these noble professions with confidence. Montessori children also enjoyed a wonderful doctor role play, expressing gratitude towards doctors and chartered accountants for their valuable contribution to the society and nation-building.

It was truly a memorable and mesmerizing day, filled with learning, creativity and joyful participation.

SRI SATHYA SAI VIDYA VIHAR

Morning assembly in Bal Mandir was conducted with great enthusiasm and meaningful presentations. A delightful puppet show and an informative speech by Avishka Dadarwal (Class 4 A) marked the CA Day, helping students understand the importance of Chartered Accountants.

Students were also briefed on Doctors' Day and the significance of Van Mahotsav Week, inspiring them to appreciate healthcare professionals and care for the environment.

The assembly concluded with an inspiring Young Hero briefing by Dhriti Valecha, encouraging students to become kind, responsible and confident individuals.

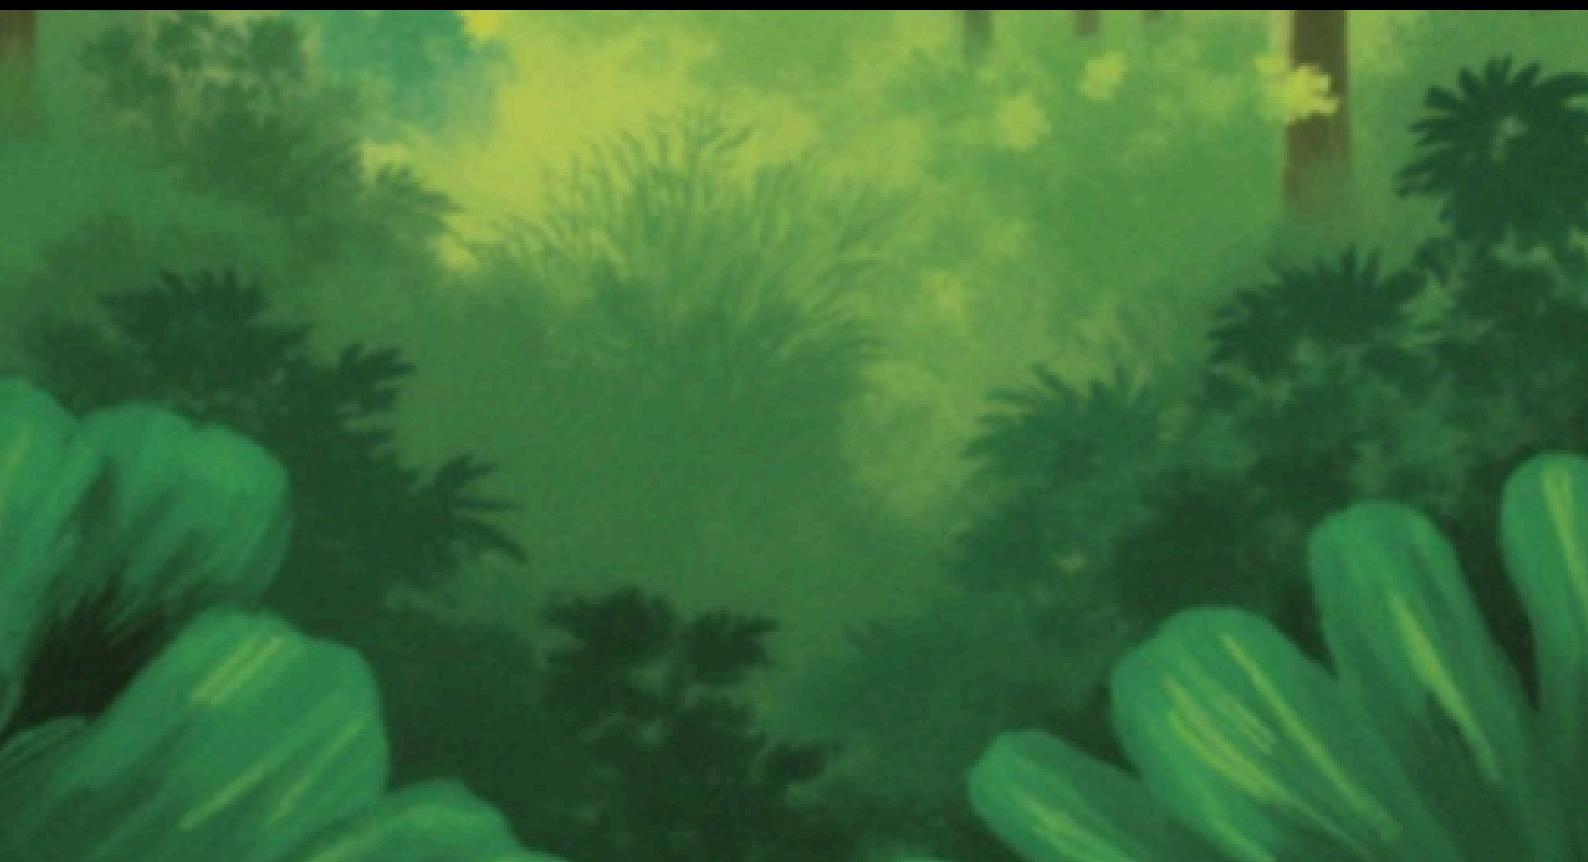

VAN MAHOTSAV WEEK

1st July- 7th July, 2026

Van Mahotsav – The Roots of Our Existence 🌳🌳

The beginning of Van Mahotsav -"Forest Festival" i.e. Day 1 was celebrated to promote tree plantation 🌳 and environmental awareness 🌍.

Students were briefed about the significance of Van Mahotsav in the assembly. They were also introduced to a young environmentalist, Prasiddhi Singh – The Forest Girl of India and were briefed about the steps taken by her to save the environment.. Children learnt that small steps taken at young age can bring a major impact.

As part of the celebrations, a clay modelling activity was conducted wherein children of Classes 1 and 2 made different parts of plants using clay. 🌻 🌷 🍃. Children of class 3 and 4 made a garden scene and different types of plants respectively 🪴 🌵 🍀. They developed love for the environment while learning in a fun way ✌️ 🥳.

As part of Van Mahotsav Week (1st–7th July), our Montessori cutie pies enthusiastically celebrated Day 2 with a joyful Thumb and Leaf Printing Activity.

The children explored different types of leaves and created beautiful patterns using thumb and leaf printing techniques. This engaging hands-on activity helped them observe various leaf shapes, textures, and designs while encouraging creativity and artistic expression.

The little ones thoroughly enjoyed experimenting with colours and patterns, making the activity both fun-filled and enriching. It was a delightful learning experience that strengthened their connection with nature.

Van Mahotsav – Day 2: Nature Walk

As part of the Van Mahotsav celebrations, the students of Classes 3 and 4 participated in a joyful Nature Walk.

Class 3 students observed different types of leaves, their shapes, sizes, textures, and edges. Class 4 students admired the wide variety of plants across the school campus.

It was a delight to spot a frog, birds, butterflies, and other wonders of nature while learning about the importance of protecting our environment.

The activity sparked curiosity, enhanced observation skills, and nurtured a deeper appreciation for the beauty and value of nature.

Nature Walk

Van Mahotsav activity in Senior Montessori

Leaves that Leaves Marks

On the third day of Van Mahotsav, the students of primary classes enthusiastically participated in a Leaf Printing Activity. Using fallen leaves, they created colourful prints while exploring the beautiful patterns, veins, and shapes found in nature.

This activity helped children to develop keen observational skills and understanding that every leaf is unique. It also encouraged them to appreciate the beauty of nature and inspired them to care for and protect our environment.

Planting a seed today is nurturing a greener tomorrow. ✨🌍🌱

🌿🌸 CCI Activity - Seed Ball Making 🌸🌿

📅 4 July 2026

As part of the CCI programme, students of Classes 1 to 4 enthusiastically participated in a Seed Ball Making Activity. 🌱 The hands-on activity created awareness about environmental conservation and inspired children to care for nature. 🌳💚

Students learned how seed balls help grow plants and contribute to a greener environment. 🌿 The activity was both enjoyable and educational, fostering a sense of responsibility and love for the environment.

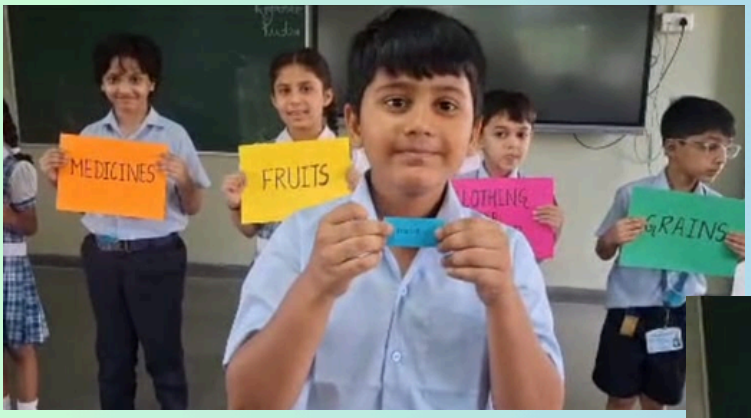

Children of 3 D enjoyed an exciting EVS activity on sorting the parts of a plant 🌼🌿. They identified and grouped items into various categories like grains, clothing and shelter, fruits, and oilseeds etc, learning the importance of each category in a fun and hands-on way. 🌿

This activity enhanced their scientific thinking skills and love for nature, reminding them that every part of a plant plays a special role 💚🌍. Plants are selfless givers.

JADUI PITARA

INTRODUCTION TO FRUITS & VEGETABLES

FOR SR. MONTESSORI

An engaging **Jadui Pitara** activity was conducted for the children of **Sr. Montessori** to introduce them to a variety of fruits and vegetables.

Through this fun and interactive session, the children learned about their **names**, **colours**, and **nutritional benefits**.

The activity sparked their **curiosity**, and they **enthusiastically** participated while gaining **valuable knowledge** about the importance of including fruits and vegetables in their daily diet.

EAT COLOURFUL, STAY HEALTHY, BE HAPPY!

Learning is magical when it comes from the **Jadui Pitara!**

Van Mahotsav Celebration – Junior Montessori

As part of the Van Mahotsav celebrations, our Junior Montessori students enthusiastically participated in a joyful and interactive learning activity centered around the parts of a plant and the importance of trees.

Using creative teaching aids like the "Jaadui Pitara" and colourful plant models, our little learners explored the different parts of a plant—roots, stem, leaves, flowers, fruits and seeds—through hands-on learning and storytelling. Their curiosity, excitement, and active participation made the session both meaningful and memorable.

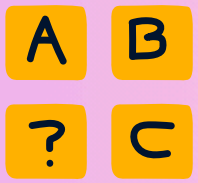

Through this activity, children learned that trees are our best friends as they provide us with oxygen, food, shade, and a healthier environment. The celebration inspired our young minds to love, protect, and nurture nature from an early age.

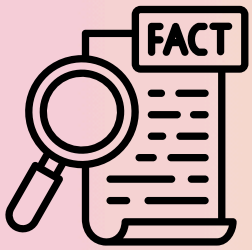

"Every little seed of knowledge planted today grows into a greener tomorrow."

The students in Class 2 A turned their classroom into an exciting word lab! Working together in pairs, they played a fun missing-letters game to practice spelling. Partners read the broken words out loud and figured out the missing letters together. They pasted the correct letters' sticky notes in the blank spaces. This hands-on activity helped the children learn new words, remember their spellings and practice speaking and listening to each other nicely. As mastering correct spellings today builds the strong, confident readers for tomorrow!

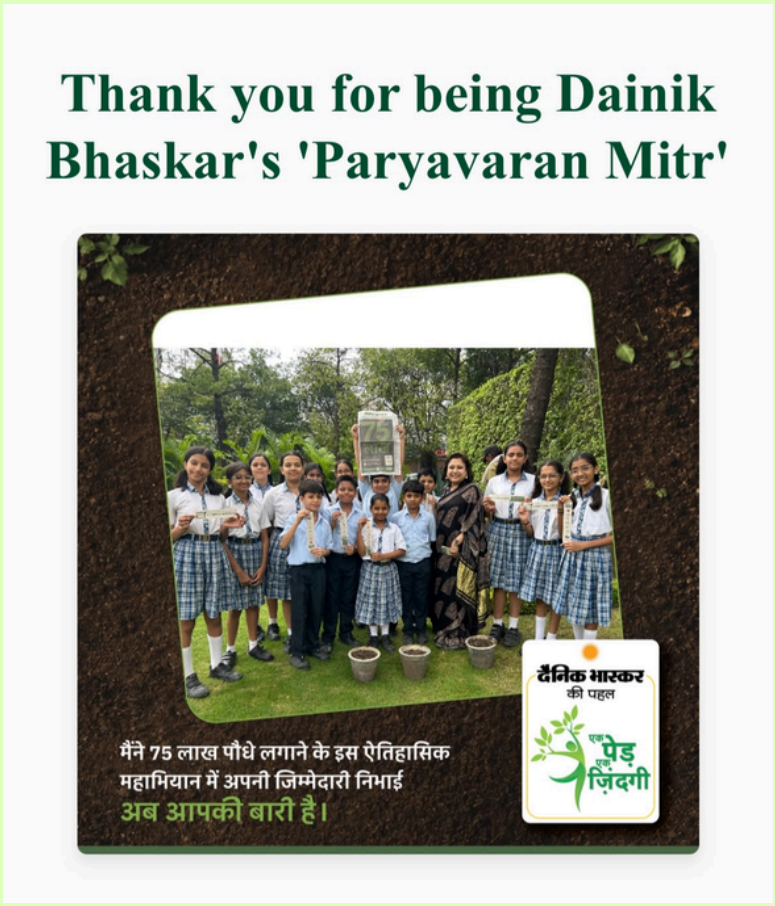

Van Mahotsav Celebration
Day 6:
The Green Promise Wall 💚

Our young eco-warriors expressed their love for nature through the *Green Promise Wall*. 🌱 Each student wrote a heartfelt promise to protect the environment, such as planting trees, saving water, reducing waste, and caring for plants.

This meaningful activity encouraged children to become responsible citizens and reminded them that even small actions can make a big difference. Their colourful promises reflected a strong commitment to preserving and protecting Mother Earth for a greener tomorrow.

Day 6 Activity -

In "My Little Green Friend" activity,the children learnt how to plant a small sapling in a pot 🪴 and how to care for it with love and responsibility 💚. They were guided to follow simple steps like watering the plant regularly 💧, placing it in sunlight ☀️ and observing its growth day by day 🌼.

This hands-on experience helped children understand the importance of plants 🌳 in our lives and how they keep our environment clean and healthy 🌍. It also taught them valuable qualities like patience, care, and responsibility 🤝.

By nurturing their own plant, children developed a deep connection with nature 🌿 and learnt to protect and respect the environment for a greener future

Green Warriors: A Week to Remember 🌿

The final day of Van Mahotsav Week was celebrated with great excitement and joy. Throughout the week, our little learners enthusiastically participated in thumb printing, leaf printing, a nature trail walk, learning about the parts of a plant, watching educational videos on nature, and feeding birds. To conclude the celebrations, each child proudly received a 'Green Warrior' Crown as a special takeaway and took a heartfelt pledge to protect, preserve and care for our precious environment. It was a wonderful week that inspired our young minds to become responsible guardians of nature.

My BEHAVIOUR CHECK CHALLENGE

Spirit of Independence

PHYSICAL

- I keep my body clean and healthy.
- I eat nutritious food.
- I exercise daily and stay active.
- I take enough rest and sleep.

EMOTIONAL

- I understand and manage my feelings.
- I stay positive and confident.
- I show kindness and respect to others.
- I forgive .

MENTAL

- I think before I act.
- I learn with curiosity.
- I focus on my goals.
- I solve problems with a positive attitude.

SOCIAL

- I am polite and helpful.
- I work well with others.
- I value diversity and respect everyone.
- I contribute to my family, school and community.

SPIRITUAL

- I believe in values and truth.
- I am grateful for what I have.
- I pray and meditate regularly.
- I help others selflessly.

True freedom begins with the right choices every day!

BE A RESPONSIBLE, RESPECTFUL & COMPASSIONATE CITIZEN.

→ I CAN, I WILL! ←

Forward Step with the Mayor

As part of the Spirit of Independence celebrations, the school had the privilege of hosting the Hon'ble Mayor of Indore, Shri Pushyamitra Bhargava, for an engaging and enriching interaction with the students.

The programme commenced with a warm welcome by the Principal, Dr. Anju Chopra, followed by an interactive session where students posed questions on civic development, sustainability, education, and the future of Indore.

The Hon'ble Mayor addressed their questions with insight and enthusiasm, sharing valuable suggestions on rainwater harvesting, solar rooftops and sustainable development.

He also introduced students to initiatives such as the Internship with the Mayor and the Mayor Idea Challenge, encouraging young minds to participate actively in civic development. Sharing a personal insight, he spoke about his father as a strong source of inspiration and support.

The interaction was truly inspiring and left the students motivated to become responsible citizens and active contributors to the progress of the city and the nation.

Honouring the Pride of India – Our National Flag

Our Montessori little stars proudly celebrated National Flag Adoption Day with great enthusiasm and respect. They learned the importance of this special day and developed a deeper understanding of our National Flag.

The children explored the significance of the Tricolour, the Ashoka Chakra and its 24 spokes, while learning how to respect, salute and care for our flag with pride. The celebration inspired love for our nation and instilled the values of patriotism and responsibility in their young hearts.

Jadui Pitara – National Symbols

Our little Montessori learners explored the National Symbols of India through the Jadui Pitara!
With colourful visuals and joyful interactions, children learnt about our National Flag, Emblem, Animal, Bird, Flower and more.
A fun-filled activity that nurtured awareness, pride and love for our nation.

SAI MARATHON

"A healthy mind is the basis for a healthy body, and a healthy body is essential for a healthy mind." — Bhagwan Sri Sathya Sai Baba

Design Thinking to Divine Thinking

As part of our Independence Day celebrations, the students of Class V proudly created a Humanoid Robot based on the theme 'Design Thinking to Divine Thinking'.

This innovative creation beautifully combines technology, creativity and values. Through design thinking, the children explored how technology can be used with a purpose—to serve, help and make a positive difference in society.

The Humanoid Robot represents the journey from human ideas to meaningful innovation, reminding us that true progress happens when our intelligence is guided by compassion, responsibility and service.

Through this project, our young innovators celebrate not only the spirit of independent India, but also the vision of becoming responsible citizens who use technology for the betterment of humanity.

Design with intelligence. Create with purpose. Think with values. Serve with love.

DESIGN THINKING LAB ACTIVITY

Topic: Scratch Coding in Design Thinking Lab

(Grade 7)

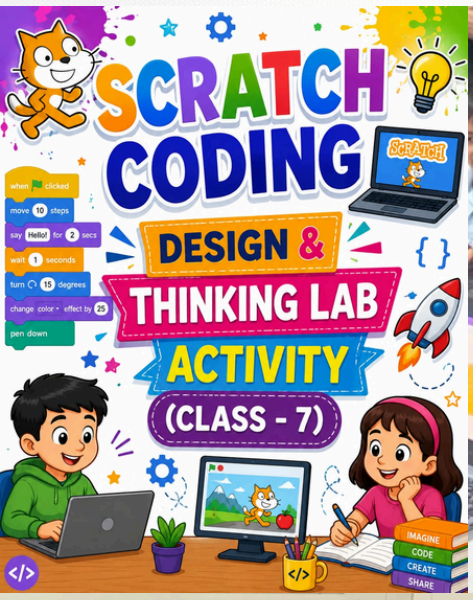

OBJECTIVE

The Design Thinking Lab activity on Scratch Coding was conducted for Grade 7 to introduce students to the basics of block-based programming. The main aim was to help students think creatively, solve problems step-by-step, and bring their ideas to life using coding in a fun and interactive way.

ABOUT THE ACTIVITY

Scratch is a visual programming platform developed by MIT where students drag and drop code blocks to create games, stories, and animations.

In the lab, students were given the challenge: "Create a small story or game.

A BEAUTIFUL INITIATIVE BY OUR BAL MANDIR STUDENTS. THEY HAVE CREATED A SERIES OF ROBOTS INSPIRED BY THE VISION AND TEACHINGS OF BHAGAWAN SRI SATHYA SAI BABA, HIGHLIGHTING THE IDEA OF "HELPING HANDS THROUGH TECHNOLOGY."

THE ROBOTS REPRESENT DIFFERENT AREAS OF SERVICE – HOSPITALITY, CLEANLINESS, FARMING, AND EDUCATION – SHOWING HOW TECHNOLOGY AND ROBOTICS CAN BE USED FOR THE WELFARE AND SERVICE OF SOCIETY.

A SMALL EFFORT BY OUR YOUNG INNOVATORS TO COMBINE TECHNOLOGY, CREATIVITY, VALUES, AND SEVA.

Spirit of Independence – A Celebration of Freedom and Values

Continuing the week–long celebration of 'Spirit of Independence', a plethora of activities were organised in the school that beautifully brought together patriotism, creativity, reflection and the timeless values of Indian culture. Each activity offered the children an opportunity to celebrate freedom while understanding its deeper meaning.

The children made aesthetically appealing intriguing posters highlighting their concept of freedom of mind, body and soul. The Design Thinking to Divine Thinking presentation was a fine blend of values and AI.

The Cultural Parade reflected the diversity and unity of India, while the soulful Music Performance added warmth and patriotic fervour to the occasion. A poignant poem on Lord Ram touched hearts and reminded everyone of the enduring values of righteousness, courage and compassion.

The Sai TED Talk encouraged children to look beyond the conventional meaning of freedom and introspect: Are we truly free? Through thoughtful expression, they explored the idea that true freedom is inseparable from responsibility and character.

A stimulating Quiz on the Philosophy of Sri Sathya Sai Baba and Indian Culture and Heritage celebrated the nation's rich spiritual and cultural legacy. The Sai Marathon –Run for the Spirit of Independence brought together freedom, fitness and values, symbolising the spirit of moving forward with strength and purpose.

The tiny–tots too revelled in the Spirit of Independence by honouring the soldiers, freedom fighters and beautifully bringing together the unity in diversity of our country.

The celebration culminated on a deeply patriotic note with the National Anthem, played by the School Band.

SPIRIT OF INDEPENDENCE

Under the aegis of Spirit of Independence, our tiny tots of Montessori enthusiastically participated in a plethora of creative and engaging activities.

From colouring the National Flag and drawing National Symbols, to participating in "Know Your Country", enjoying lady's finger printing, and exploring the fascinating world of Jadui Pitara, our little learners celebrated the spirit of our nation with immense joy and enthusiasm.

These activities nurtured their creativity, curiosity, patriotic spirit and love for our country, making learning a truly joyful experience!

Proud Little Indians • Creative Minds • Happy Hearts

Children celebrated the Spirit of Independence by creating colourful and creative posters on Independence Day. Through their artwork, they expressed their love for the nation and beautifully highlighted the values of freedom, unity, peace, patriotism, and responsibility. The activity encouraged young minds to express their patriotic spirit through creativity and meaningful artwork.

Children of Grades 5 to 12 working enthusiastically in the Computer Lab as part of Spirit of Independence theme. The activities included HTML webpage designing, digital poster making, freedom fighter story creation, Tiranga-themed desktop backgrounds, patriotic song generation using AI tools, flag designing using Scratch and many other creative activities that encouraged students to showcase their creativity and patriotic spirit.

"The spirit of Independence is in the air, inspiring young minds to learn, create and explore!"

CCI Activity – "Freedom in Colours"

Grades 1 & 2

The young learners of Grades 1 & 2 celebrated the spirit of patriotism through colours. Their colourful artwork beautifully reflected their love, joy and pride for our nation.

CCI Activity – "Quiz Fiesta"

Grades 3 & 4

The enthusiastic learners of Grades 3 & 4 participated in the CCI Activity – "Quiz Fiesta" , showcasing their knowledge, confidence and healthy competitive spirit. The quiz for Class III was conducted in Bal Mandir, while Class IV participated in the school auditorium. Our respected Principal Ma'am, Dr. Anju Chopra, encouraged the children with her inspiring words. She shared that, "Freedom means freedom of thought, having a healthy mind, being obedient and disciplined and taking care of the environment."

The young quizzers answered questions related to Our Country – India with great zeal and enthusiasm. The activity provided an enriching and enjoyable learning experience while nurturing their curiosity, awareness and love for the nation.

Independence Day

Culminating the 'Spirit of Independence' week, Sri Sathya Sai Vidya Vihar, Indore celebrated the Independence Day with patriotic fervor and zeal.

As per the tradition of the school the flag was hoisted by Shourya Mishra, class XII State, City & School Topper and Principal, Dr. Anju Chopra.

The day unfolded with vibrant & mesmerizing dance performances in the Inter-House Patriotic Dance Competition. The Auditorium reverberated with the patriotic strains of the School Band. Veer Sonkar awoke the spirit of patriotism in every heart with him inspiring poem recitation.

Principal Ma'am in her address urged everyone to perform their duties with responsibility and passion and take our Bharat to new defining heights, stating that true Bharat starts from me to you.

Shourya Mishra motivated his peers to be sincere and devoted to their parents, school and the country.

Taking forward the mantle of leadership, the Investiture Ceremony was organised to invest the young leaders of the newly elected School Prefectorial Board with their responsibility.

Principal, Dr. Anju Chopra, congratulated the newly elected Student Council and motivated them to perform their duty with diligence.

The memorable week came to a dignified close with the National Anthem leaving everyone with a renewed commitment to live the true spirit of freedom.

HOPSCOTCH FUN (Jr. Montessori)

Our Jr. Montessori children had a joyful time hopping, jumping and balancing through the Hopscotch activity! Every jump brought smiles, confidence, and lots of fun while strengthening their gross motor skills and number recognition.

Learning Outcomes: Improved balance & coordination

Enhanced gross motor skills

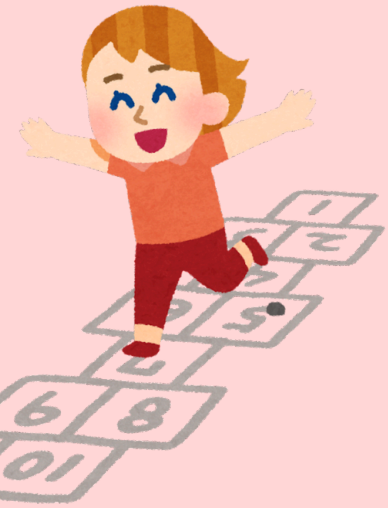

Recognised numbers through play

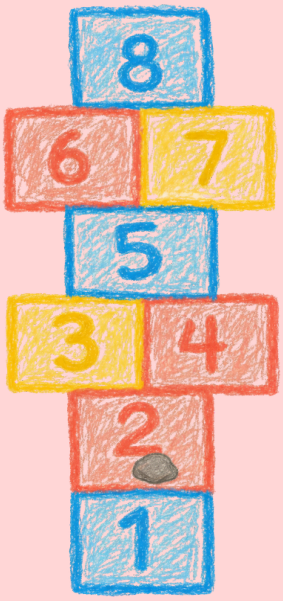

Built confidence & focus

Learnt turn–taking and teamwork

Hop · Jump · Balance · Smile

"Play, Learn & Grow Together!"

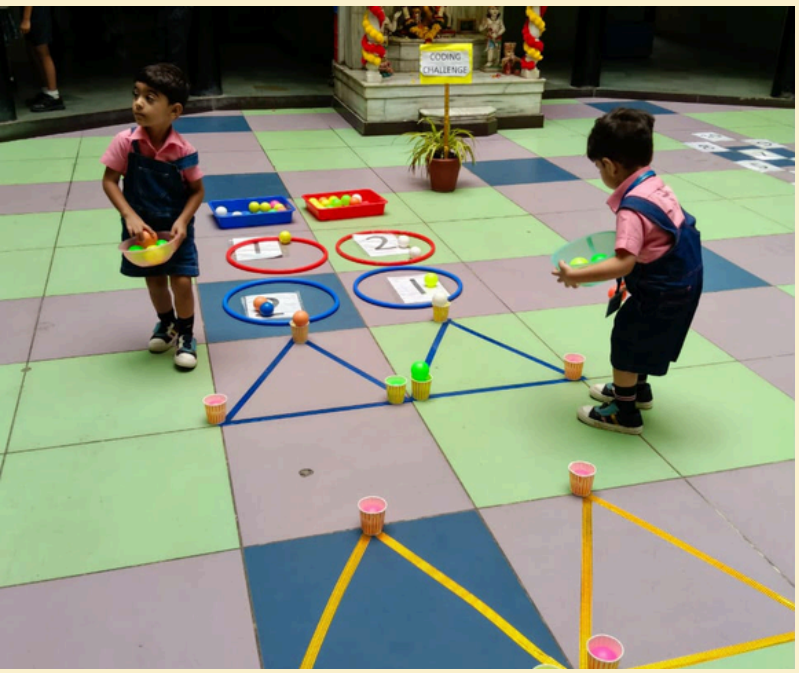

"Counting Steps to Success! Our Nursery stars shone bright in a fun-filled number game that was all about big leaps and learning! Our Little adventurers dived into a number coding challenge, linking digits with their true values. They were not just playing; they were building the foundation for future success, one colorful ball and one numbered hoop at a time!

Learning Outcomes:

Gross motor skills in motion
Early number recognition
Boosted confidence & coordination
Social skills through play
Developing problem- solving

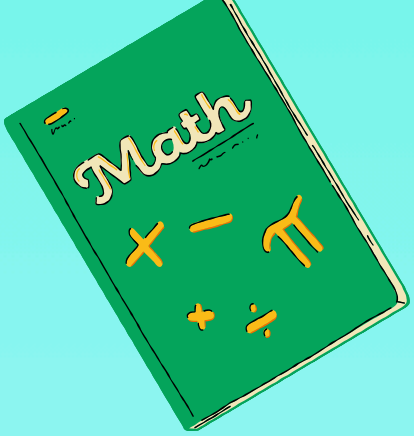

Our Senior Montessori champions showed off their hand-eye coordination with the "Throw and Catch on Point" activity! Building gross motor skills, focus and fun—one throw at a time! ✨

To enhance hand-eye coordination, improve spatial awareness and build focus and precision as young learners practice throwing through hoops and catching with control.

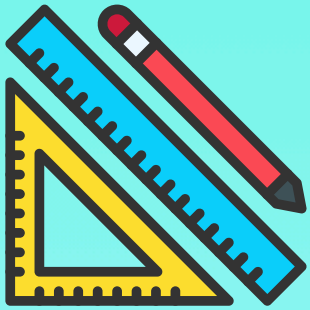

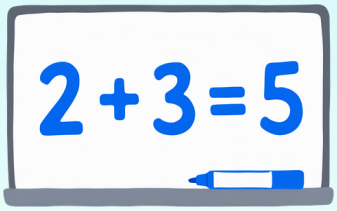

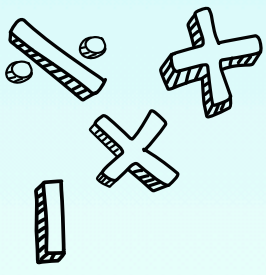

Math Brain Ticklers

"Every puzzle solved is a step towards sharper thinking and brighter minds!"

The CCI Activity – Math Brain Ticklers was conducted for Classes 1 to 4. Students enthusiastically participated in engaging math puzzles, number games and logical reasoning challenges, answering each question confidently. The activity enhanced their critical thinking, problem-solving and mental math skills while making the learning Mathematics enjoyable and interactive.

🎨Grade 2 (All sections) Math ACTIVITY: "MAGIC STICK" 🪄

🧩 Sum given:

19 + 9 = 19 ❌

📋 How we played:

1. Move ONLY 1 stick
2. 🚫 Don't break or add new sticks

Students discussed and tried to make it correct.🧠 💡

SOLUTION:

19 + 0 = 19 ✅

We moved 1 stick from the second 9 ➡️ to make it 0. Now the sum was correct! 🎉

-They learned Addition and Subtraction concept, place value

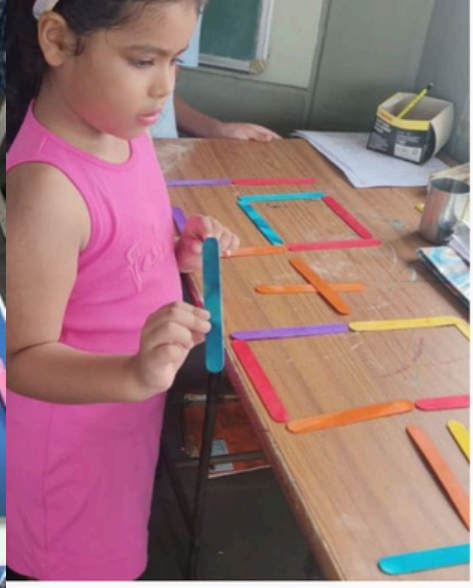

-Hands-on thinking = better memory

-Lots of fun + brainstorming = logical thinking skills got stronger 🚀 .Similar type of sums were done for different groups

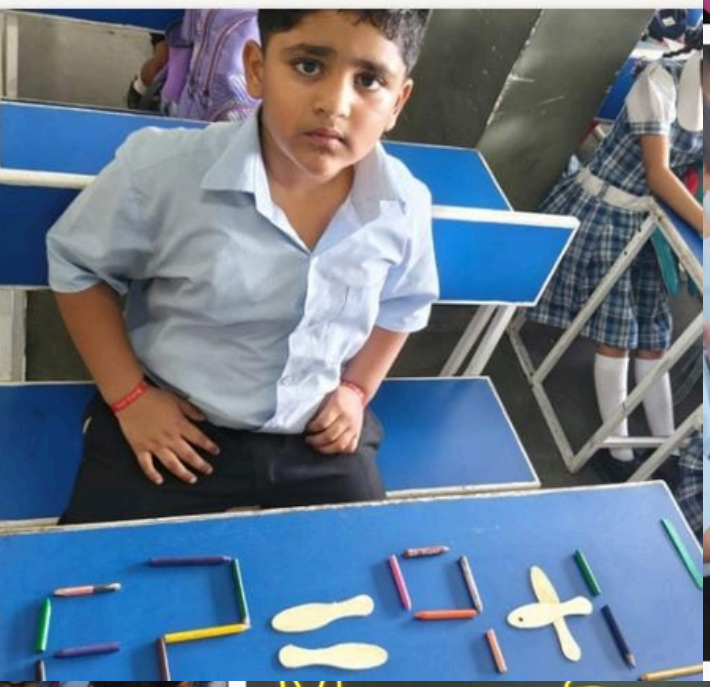

🌱 MORAL VALUE:

"Small changes can make big differences."
Just like moving 1 small stick made the whole sum correct,
in life too, one small effort, one small good habit can bring positive changes!

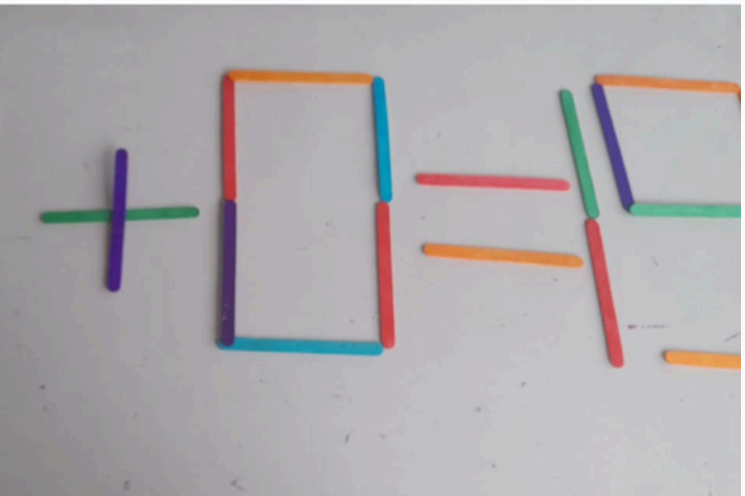

MAGIC STICK

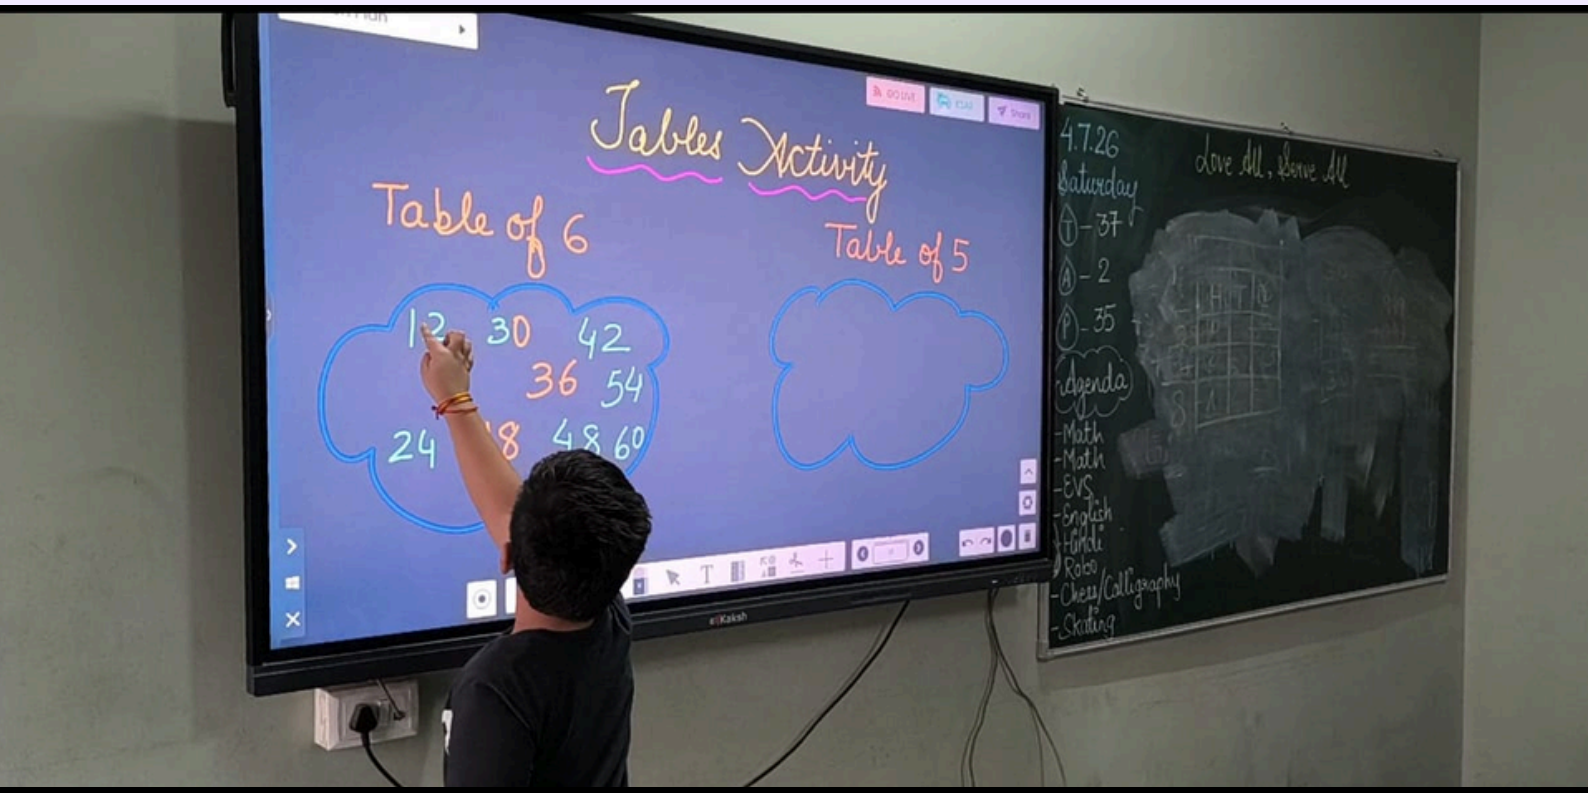

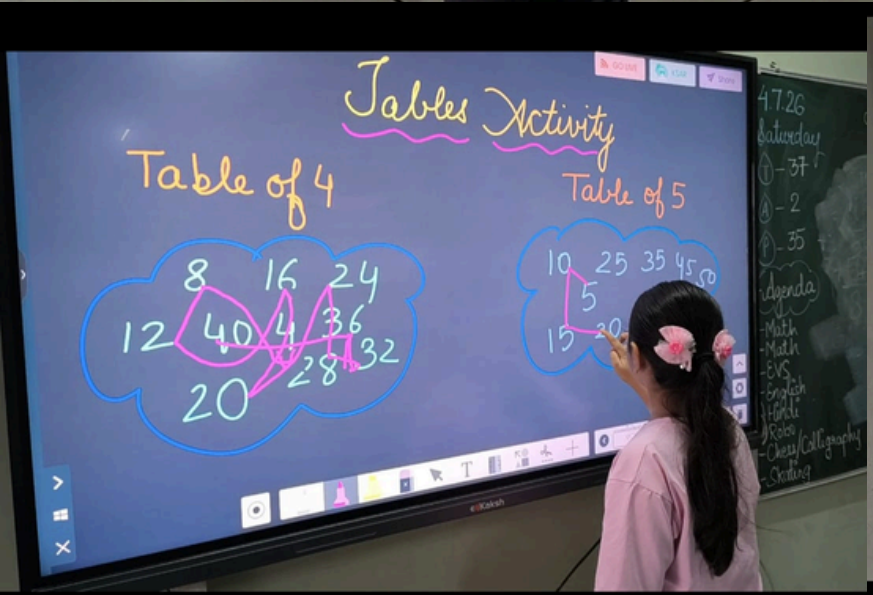

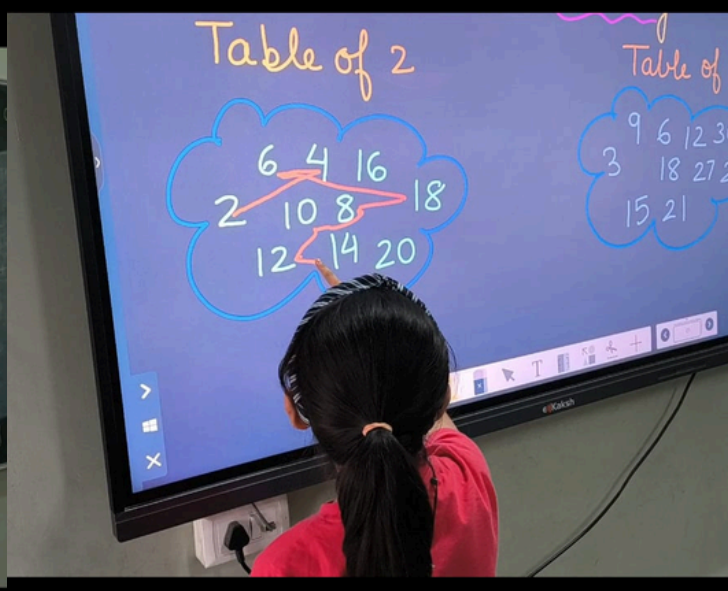

Our Grade 3 C students had a fun-filled 'Table Fun Activity' in class! 🎲

Through games and hands-on practice, they revised tables in an engaging way and built speed + accuracy with numbers. ⭐🎯

This activity made math exciting and boosted their confidence in mental calculations.

EMBARK ON THE JOURNEY TO EXCELLENCE!

Smart Me Activity – Emergency Helpline Numbers

As part of the Smart Me Activity, our young learners enthusiastically participated in an engaging and interactive session on Emergency Helpline Numbers. Through child-centric scenarios, thoughtful discussions and enjoyable learning experiences, they discovered the importance of remaining calm, alert and responsible during unexpected situations.

The activity nurtured awareness, confidence and presence of mind, empowering children to recognise when to seek help from trusted adults while becoming familiar with essential emergency helpline numbers in a fun and meaningful manner.

The **Smart Me** session was conducted during the morning assembly.

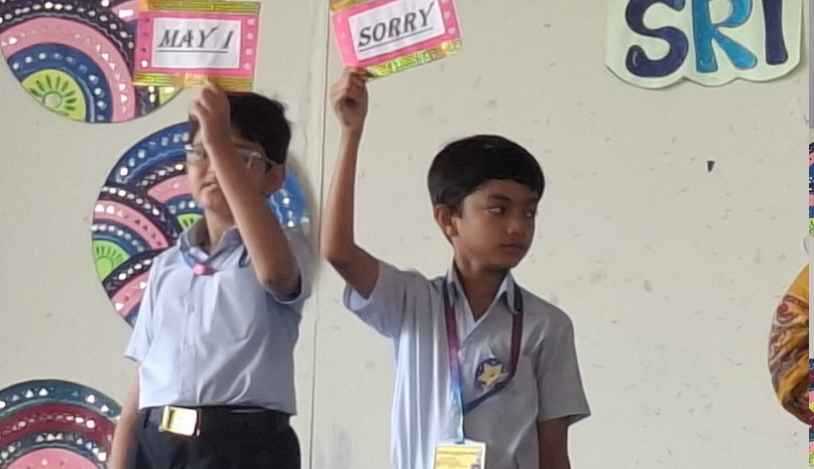

The children learned the importance of using magic words – Thank You, Sorry, Welcome and May I – to develop good manners, respect and kindness.

They also learned the proper use of a handkerchief through a fun and lively rhyme, making the session interactive and enjoyable.

The activity encouraged good etiquette, personal hygiene and positive social behaviour in a joyful way.

Our adorable Senior Montessori tiny tots lit up the day as they came beautifully dressed in vibrant costumes, portraying maternal and paternal family relationships.

They also delighted everyone with their mesmerizing dance performances, making the celebration truly joyful and memorable!

It was heartwarming to witness their enthusiasm and confidence as they celebrated the beautiful bond of family.

Match the Pattern Activity – Jr. Montessori

"Learning begins when little minds observe, compare, and create."

Our Jr. Montessori children enthusiastically participated in the Match the Pattern activity. They carefully observed patterns and matched them correctly, enhancing their observation skills 👀, concentration , logical thinking , and visual discrimination . The activity made learning engaging, enjoyable, and full of excitement!

Raksha Bandhan – A Celebration of Love & Protection

Morning assembly in Bal Mandir was conducted by Narmada House, celebrating the festival of Raksha Bandhan.

The assembly featured a festive talk highlighting the beautiful bond of love, care and protection. A meaningful skit on Raksha Bandhan portrayed a soldier and his sister, a brother and sister and a girl tying Rakhi to a tree, conveying the message of protecting and caring for nature.

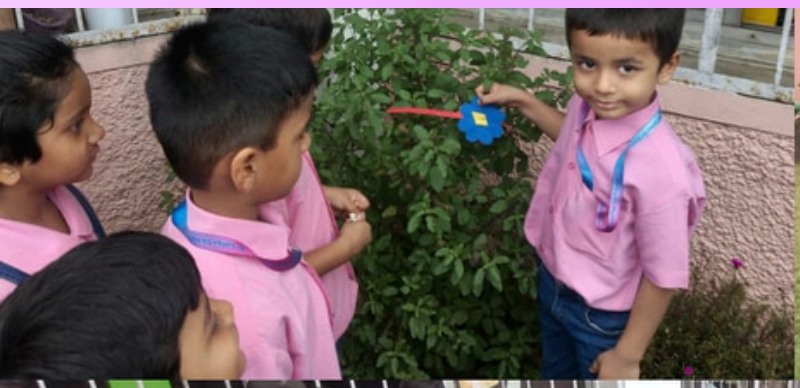

Students were also introduced to National Sports Day, observed on 29th August, and learnt about Major Dhyan Chand Ji and the values of discipline, teamwork and sportsmanship .

The children of Jr. Montessori C joyfully celebrated Rakshabandhan by making beautiful Rakhis with love and creativity. They also tied Rakhis to the trees, expressing gratitude and care towards nature. The activity helped children understand the beautiful values of love, protection, care and respect for nature.

Tiny hands crafting love! Our nursery kids are making beautiful Rakhis, filled with joy and sibling affection.

The Nursery children celebrated Raksha Bandhan with a joyful pre-celebration filled with creativity and excitement. They enthusiastically made beautiful handmade rakhis and decorated them with colourful embellishments. The little ones had a wonderful time showcasing their creativity, learning about the beautiful bond of love and protection, and enjoying the festive spirit together. It was a fun-filled and memorable experience for everyone!

Bond of Love – Rakhi Making Activity by Grades 1 to 4

Students of Grades 1 - 4 joyfully participated in a creative Rakhi Making Activity as part of their CCI activity . Using colourful papers, beads, threads, ribbons and other decorative materials, the students crafted beautiful and vibrant Rakhis with great enthusiasm and love.

Through this activity, they experienced the true spirit of Raksha Bandhan – the sacred bond of love, care, protection and togetherness between brothers and sisters.
All the students participated with great enthusiasm and enjoyed the activity wholeheartedly.
The activity not only enhanced their creativity and fine motor skills but also helped them understand and cherish our rich Indian culture and traditions.

Inspire Through Sports!

Wishing Everyone a

HAPPY NATIONAL SPORTS DAY!

Bal Mandir Assembly began with an energetic aerobics session, followed by an informative speech on World Water Week .

The students also witnessed an interesting experiment demonstrating how turmeric acts as a natural acid-base indicator .

The highlight of the assembly was a meaningful act by Class 3 based on Sathya Sai Baba's Five Human Values – Truth, Right Conduct, Peace, Love and Non-Violence.

Through simple situations and expressive performances, the students beautifully conveyed the importance of practising these values in daily life.

The assembly concluded with an inspiring message that true character is reflected through our thoughts, words and actions.

CCI Activity – Story Circle & Panel Discussion

CCI Activity was conducted in Bal Mandir with great enthusiasm!

Grades 1 & 2 – Story Circle

Kids sat in a circle & weaved a story together with interesting starters. One sentence by each child led to imaginative twists & turns! It boosted their creativity, listening & expression.

Grades 3 & 4 – Panel Discussion

Students shared their views on a thought-provoking topic. They spoke confidently, listened to peers & responded thoughtfully.

Overall, it was an enriching & joyful learning experience!

YAMUNA

यही है श्रीकृष्ण का संदेश।

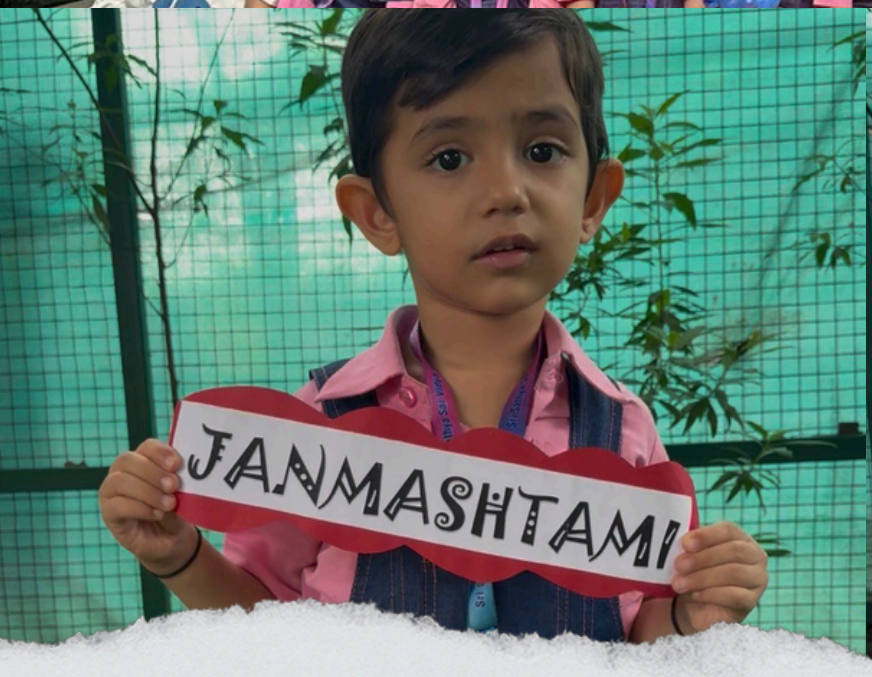

कृष्ण जन्माष्टमी

की हार्दिक शुभकामनाएँ

Our nursery kids are sharing their pure devotion and love for Krishna ji! ✨ So much spiritual sweetness with Janmashtami right around the corner.

A little bit of paper, a lot of love, and some Janmashtami magic , our Nursery kids are making their own tiny matkis for Janmashtami.

Janmashtami

A Celebration of Love, Devotion and Divine Grace

Bal Mandir's morning assembly was conducted in the school auditorium by Ganga House with great devotion and enthusiasm to celebrate the auspicious festival of Janmashtami .

The assembly began with soulful bhajans , followed by an insightful Janmashtami talk by Anaya Vijayvargiya of Grade 4 E , highlighting Lord Krishna's life and its connection with Sri Sathya Sai Baba's teachings .

The birth anniversary of Dr. S. Radhakrishnan , celebrated as Teachers' Day , was presented meaningfully by Dhriti Valecha of Grade 4 A, followed by a poem recitation by Deshna Sonkar of Grade 3 B .

Our little ones from Senior Montessori enthralled everyone with a beautiful Dance Drama on Govardhan Leela , followed by vibrant dance performances by the children of Nursery and Junior Montessori .

The celebration continued with captivating solo dances by Shanaya Somani, Dhairya Jain and Paridhi Wankhede , a melodious Krishna song by students of Grades 1 - 4, and a mesmerising Raas by Grades 1 and 2.

The assembly concluded with an engaging Janmashtami skit by Grades 3 and 4, portraying different stages of Lord Krishna's life and his timeless teachings.

The celebration beautifully blended devotion, music, dance and values, filling the morning with joy and divine grace.

Cleanliness is Next to Godliness

The students of Grade 4 B presented a fun and meaningful Smart Me Activity in the assembly through a role play.

The role play beautifully highlighted the importance of cleanliness by showcasing simple daily habits such as using dustbins, keeping desks tidy, avoiding littering, and working together to keep our classrooms and school clean.

The activity effectively reinforced the importance of cleanliness while encouraging students to develop responsibility, teamwork, discipline and respect for their surroundings.

Crowning Ceremony

A delightful Crowning Ceremony was conducted for the tiny tots of Montessori. The little ones looked adorable as they proudly wore their crowns and celebrated this special moment with immense joy and enthusiasm.

It was a beautiful experience filled with smiles, excitement and cherished memories for our little stars.

Crowning Ceremony – Celebrating Young Achievers

A Crowning Ceremony was organised in Bal Mandir to honour and celebrate the young learners from Grades 1- 4 who demonstrated exemplary qualities in their daily school life. The students were crowned in recognition of their Right Conduct, discipline, academic excellence, punctuality and smart and well-groomed turnout.

Reflecting Bhagawan Sri Sathya Sai Baba's message that "The end of education is character," the ceremony celebrated not only achievements but also the values and qualities that shape a child's character.

The young achievers served as role models for their peers, inspiring them to embrace and practise these commendable qualities in their daily lives. The ceremony beautifully reinforced the message that good values, positive habits and consistent effort pave the way to excellence.

Our Montessori learners enthusiastically explored the importance of Classroom Rules through engaging activities and dramatic play. They learned essential classroom etiquette, including sitting smartly, listening attentively to their teachers, raising their hands before speaking, helping and sharing with friends, and maintaining a clean and organized classroom. The interactive session was filled with excitement and meaningful learning, inspiring our little learners to confidently promise that they will practice these positive habits every day.

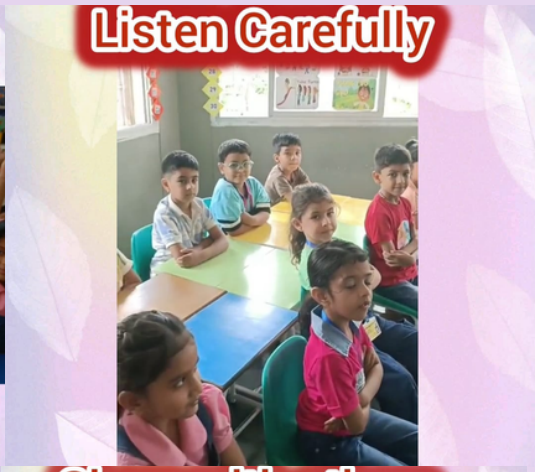

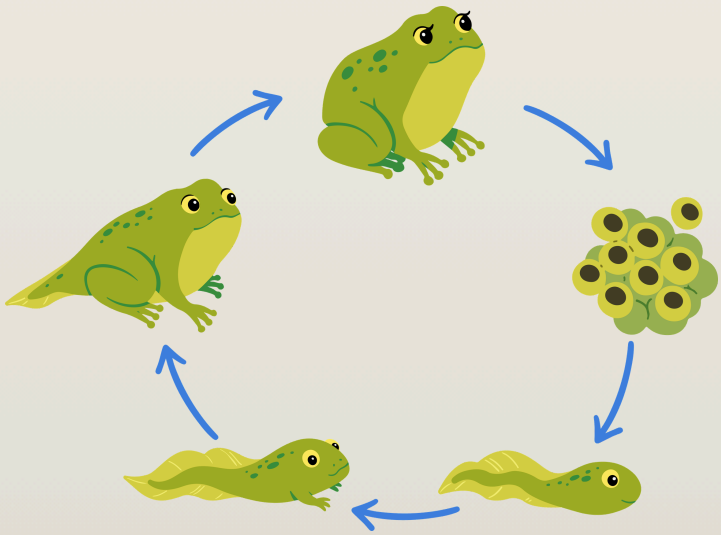

Jadui Pitara Activity – Life Cycle of a Frog

"Learning comes alive when children explore with curiosity!"

Our Jr. Montessori children enthusiastically explored the Life Cycle of a Frog through the Jadui Pitara activity. They learned about the stages—from egg to tadpole , froglet , and adult frog—through interactive learning and joyful participation. The activity enhanced their observation skills, curiosity, vocabulary, and understanding of nature in a fun and engaging way.

Thank you cards were given to the helpers in the school. This activity was conducted during the EVS period in all sections of Grade 1.

The objective of this activity was to inculcate the values of gratitude, respect and kindness in the students and to help them appreciate the hard work and contribution of our school helpers.

Students learnt the importance of saying 'Thank You' and expressing gratitude. They understood that we should respect and value the efforts of all school helpers who help us every day.

Our Senior Montessori learners took part in a fun and energetic Gross Motor Activity - Duck Walk!

🤸 🦆

Why Duck Walk?

Builds Strength: Toughens legs, thighs, and core muscles.

Improves Balance & Coordination: Enhances posture and body control through low-level movement.

Boosts Flexibility: Stretches hips, knees, and ankles.

Fun & Interactive: Blends physical exercise with imaginative play!

🎯 ⚖️

Watch our little ones waddle, balance, and quack their way toward active learning and strong development!

💪

Penguin Walk Activity

Our tiny tots enthusiastically participated in a fun-filled Penguin Walk Activity. Adjusting the balls in between their knees, the children waddled like little penguins, carefully balancing and walking with small, steady steps.

The activity was thoroughly enjoyed by all and helped develop balance, coordination, body control, concentration, and gross motor skills in a playful manner. It also encouraged children to follow instructions, build confidence, and stay active while learning through movement.

It was a joyful and engaging experience filled with laughter, learning, and lots of penguin fun!

The children had a wonderful time exploring their creativity with LEGO. They enthusiastically built amazing structures, showcasing their imagination and teamwork.

Shape Sorting Activity – Jr. Montessori

"Learning becomes joyful when little hands explore and discover!"

Our Jr. Montessori children enthusiastically participated in a Shape Sorting Activity . They confidently identified and sorted different shapes, enhancing their shape recognition , fine motor skills, hand-eye coordination and logical thinking . The activity was engaging, enjoyable, and filled with happy learning moments!

The students of Grade 3 B enthusiastically participated in a Blindfold Leaf Identification Activity , designed to enhance their sensory skills and environmental awareness. Blindfolded students used their sense of smell to identify different leaves, including curry leaves, neem, mint , and coriander.

To make the learning experience more engaging, the activity was integrated with Yoga through the practice of the Tree Pose (Vrikshasana).

This helped students understand the importance of trees while improving their balance , focus , and mindfulness .

The activity encouraged students to use their senses thoughtfully and strengthened their connection with plants , reinforcing the importance of conserving nature and living in harmony with it.

Fit Kids Fit India Mission – 🇮🇳Fitness Challenges

As part of the Fit Kids Fit India Mission, students of Grade 5 participated enthusiastically in a series of engaging fitness challenges designed to develop strength, concentration, balance, and core fitness.

The activities included:

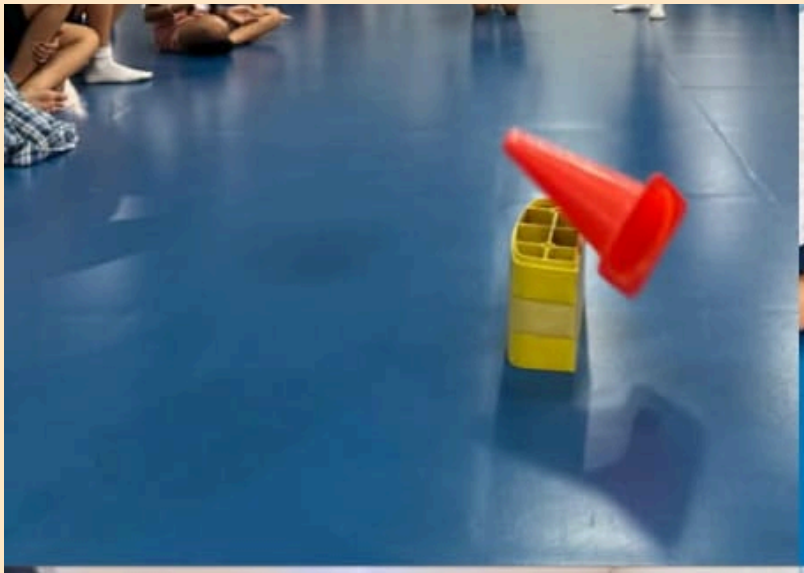

💪 Arm Wrestling – to develop strength and muscular endurance.

🎯 Bowling – to enhance concentration, coordination, and focus.

⚖️ Body Balancing Walk – to improve balance, stability, and body control.

🧘 Plank Challenge – to strengthen the core muscles and build endurance.

The students participated with great enthusiasm and sportsmanship, making the session an enjoyable and enriching fitness experience.

Pass the Ball Activity - Learning Through Fun & Teamwork 🌈

Our little learners enthusiastically participated in the Pass the Ball Activity, passing the ball to one another while listening carefully and taking turns.

This fun-filled activity enhanced their listening skills, concentration, coordination, teamwork, and confidence, making learning enjoyable and interactive.

“Little hands, joyful hearts, and teamwork in every pass!”

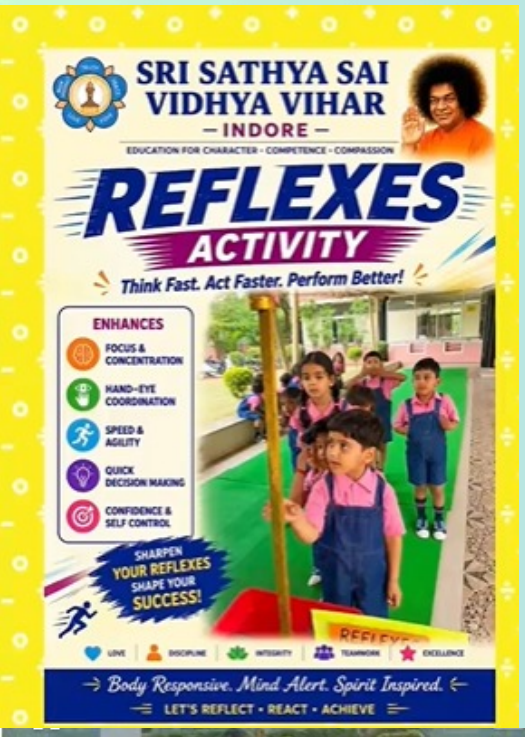

Reflexes Activity - Jr. Montessori

Our little learners enthusiastically participated in a fun-filled Reflexes Activity . The engaging tasks enhanced their reflexes, gross & fine motor skills, hand-eye coordination, balance, and concentration while encouraging confidence, teamwork, and active participation .

It was a joyful learning experience filled with smiles, energy, and excitement!

MAZE ACTIVITY

Tiny hands, curious minds!

As part of today's CCI Activity, the children of Grades1 & 2 actively participated in "Feel, Describe & Guess"
Our little ones touched mystery objects, described them with excitement and their friends guessed with big smiles
It was a perfect mix of fun, learning and teamwork !

Young voices, bold ideas!

Grades 3 & 4: Extempore
Our confident speakers stepped up, thought on their feet and expressed themselves beautifully.
The stage was full of courage, creativity and confidence!

Colour Splash with Senior Montessori

Our Senior Montessori children turned learning into movement!

They enjoyed a Colour Sorting Activity where they ran, picked, and placed objects into the right color hoops.

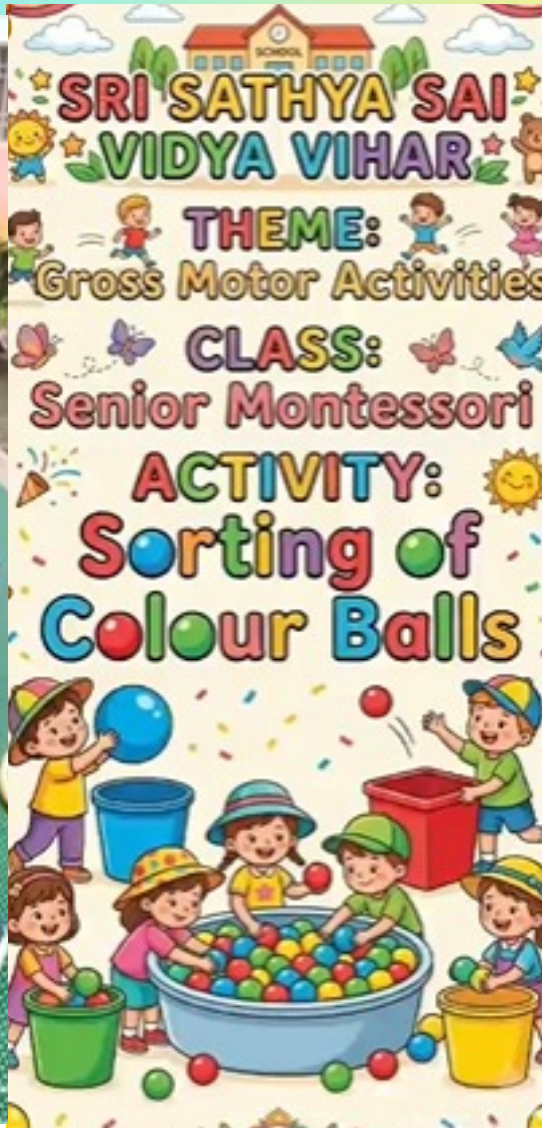

Skills they built today:

- Gross Motor Skills – Running, bending, reaching & balancing
- Cognitive Skills – Colour recognition & classification
- Concentration – Focusing to sort correctly
- Hand-Eye Coordination – Picking and placing with care
- Teamwork – Cheering for friends and playing together

Learning was active, joyful and full of colours!

Sairam Mam

TIFFIN PARTY

Healthy Food... Happy Mood!

Today, the children of

Montessori

enjoyed the Tiffin Party.

They brought a variety of delicious and nutritious snacks made of millets.

Healthy choices for a brighter tomorrow!

Millets

The children happily shared and relished their wholesome treats together.

Millet Idli | Ragi Ladoo | Jowar Chilla | Foxtail Millet Upma

Good Food... Good Health... Good Future!

TIFFIN PARTY

Our adorable Montessori little stars embarked on a heartwarming journey of learning the Magic Words—Please, Thank You, Sorry, and Excuse Me. Through fun-filled activities and joyful interactions, they discovered not only when to use these words but also why they matter.

Every gentle word spoken, every thoughtful gesture shared, and every smiling face reflected the beauty of good manners. It was a day filled with joyful learning, heartfelt connections, and precious life lessons—because when little hearts speak with kindness, they create a world full of magic.

Bal Sabha – Jr. Montessori ✨🌸

🪔 ***"Every child is a spark of light, and every Bal Sabha helps that light shine brighter."*** 🌟

The Bal Sabha for Jr. Montessori was conducted with great enthusiasm. 🌼🎤 ***The little learners confidently presented rhymes*** 🎶, ***and delightful performances, showcasing their confidence and talents.*** 🌈✨

The Bal Sabha nurtured moral values, discipline, self-confidence, communication skills, and stage confidence in a joyful and engaging environment. 💖🌟

It was a heartwarming and value-based learning experience filled with positivity, happiness, and smiles.

Bal Mandir morning assembly was engaging, informative and value-based.

🌻

🧪 An interesting science experiment using vinegar and baking soda was demonstrated. The experiment was beautifully linked to the value-based message " Never Give Up in Any Situation ."

🏆 The winners of the Extempore Competition from Grades 3 and 4 were felicitated for their excellent speaking skills and confident performances.

🎭 A thought-provoking role play on " Smart Me" was presented by the students, highlighting the importance of daily classroom etiquette, including greeting teachers, maintaining discipline, using walking feet, raising their hands before speaking, and showing respect and kindness towards everyone.

👫 The assembly concluded with a message encouraging students to practise these values every day and become responsible, confident and caring individuals.

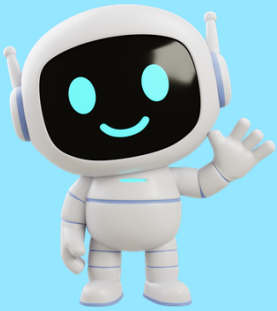

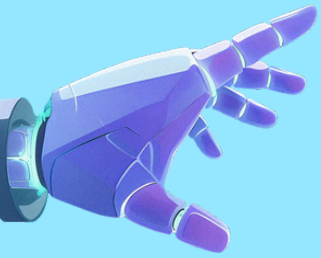

Future of Robotics – Design Thinking Session

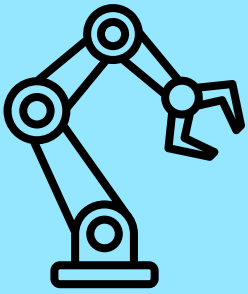

The Design Thinking faculty conducted a session on "Future of Robotics" for Classes 3A, 3B, 3C and 3D. The session introduced students to the basics of robotics and inspired them to explore future technologies with curiosity and creativity.

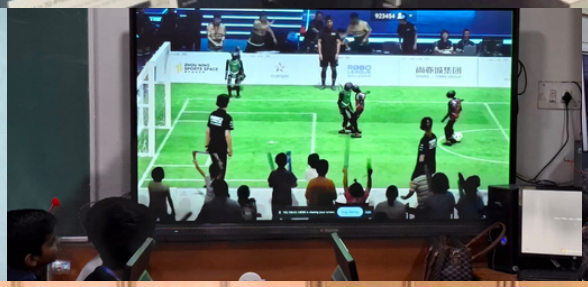

TOPIC: EXPLORING SMART ROBOTS FOR ARMY AND SPORTS WITH DESIGN THINKING & AI

The students of Grades 3 A and 4 D, 4 E and 4 F explored how AI-powered robots are designed and trained to assist in the army 🪖 and sports 🏅. Through engaging discussions and Design Thinking 💡 activities, students learned how robots can improve safety 🛡️, enhance performance 🚀, solve real-world problems 🌍 and support people in different fields. The session encouraged creativity 🎨, critical thinking and innovation.

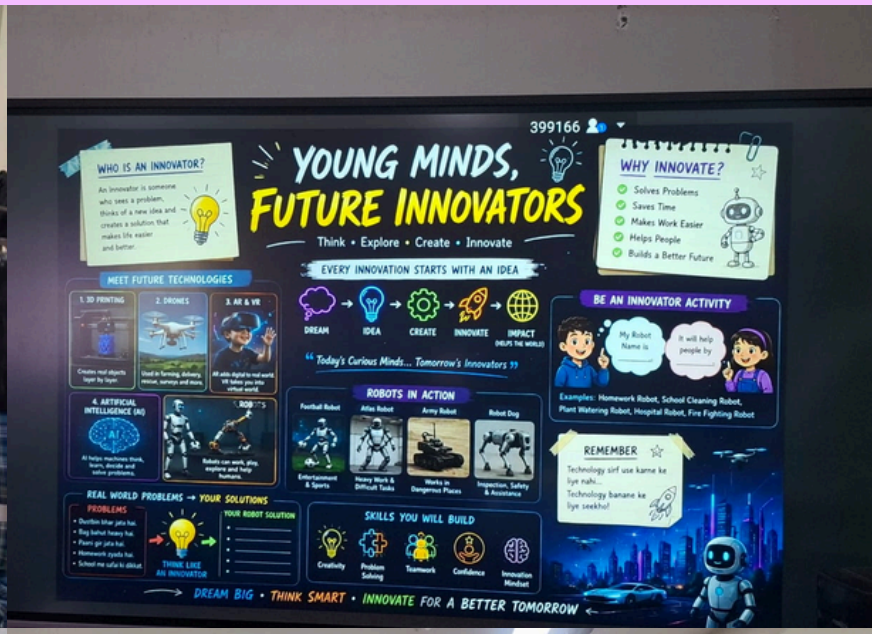

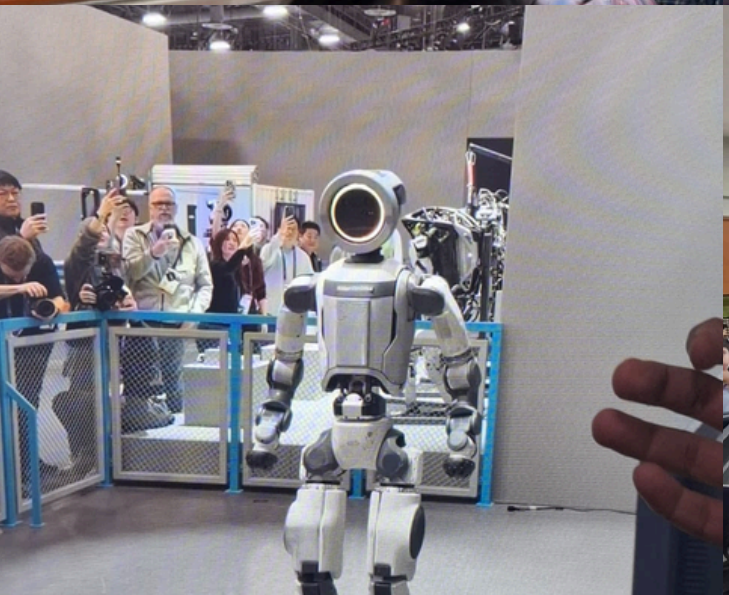

Topic: Young Minds, Future Innovators – Design Thinking & AI 🤖

Students of Grades 3 B, 3 C, 3 D and 3 E participated in an engaging Design Thinking & AI session on the theme "Young Minds, Future Innovators." 🚀 Students watched informative videos on modern technologies such as Artificial Intelligence (AI), Robotics, and Drones 🤖🚁 and learned how innovation helps solve real-world problems and improve everyday life. 🌍✨ The session encouraged students to understand the role of technology in shaping the future.

Topic: Exploring Booming Technology with Design Thinking

Students of Grades 3 E, 4 A, 4 B and 4 C explored the exciting world of 🤖 Artificial Intelligence (AI), 🦾 Robotics, 🖨️ 3D Printing, and 🚁 Drone Technology through an engaging Design Thinking session. The interactive activities encouraged curiosity, creativity, and an understanding of how emerging technologies are shaping the future.

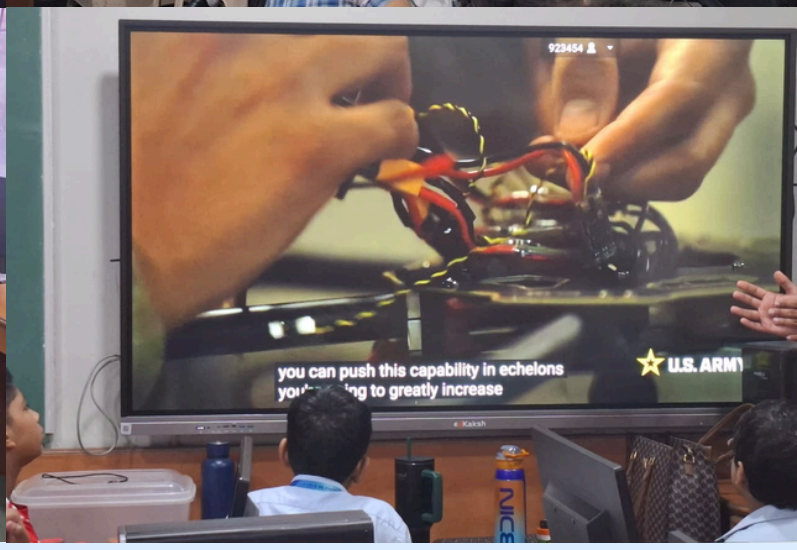

Topic: How Drones Work and Their Uses – Design Thinking & AI

The students of Grades 4A, 4B, 4C and 4D explored how drones work and their real-life applications through an engaging Design Thinking & AI session. They learned how drones fly using propellers, sensors, GPS, and cameras, and discovered their uses in agriculture, disaster management, defence, photography , delivery services, and environmental monitoring. The session encouraged curiosity , innovation, and an understanding of how technology can solve real-world problems.

Topic: Exploring Drone Insights & Learning Electronics through Tinkercad with Design Thinking & AI

Students of Grades 4 A, 4 E, 4 F and 3 A explored the exciting world of drones and learned about their real-life applications. They also experienced basic electronics through Tinkercad by creating a simple circuit using a potato to connect and light an LED , helping them understand electrical circuits in a fun and hands-on way.

Kaveri House Role Play ✨

Kaveri House presented a fantastic role play 🎭 on Kargil Vijay Diwas to pay tribute to the brave soldiers who sacrificed their lives during the Kargil War.

The students performed with amazing confidence, expressions 😊 and great teamwork 🤝

The message was clear and inspiring, and the performance was well appreciated. 👏👏

It made the assembly energetic and memorable! 🌟

The assembly concluded with the National Anthem 🙏.The programme inspired a sense of patriotism, gratitude, and pride among all present, making it a memorable tribute to the heroes of the Kargil War.

Emotions in Motion – Exploring Feelings with Happy Hearts!

Our Montessori little stars joyfully participated in an engaging Emotions & Feelings Activity, where they explored the different emotions we experience every day. Through the fun "Spin the Emotion Wheel" activity, they confidently expressed a variety of feelings and learned that every emotion is natural and okay.

The activity encouraged children to recognize and express their emotions in a healthy way while understanding the importance of staying positive and always trying to choose happiness. It was a joyful learning experience that nurtured emotional awareness, confidence, and self-expression.

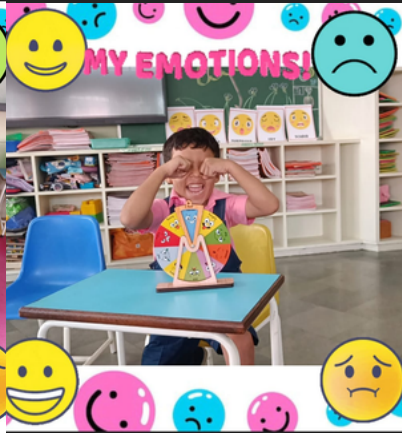

Paryavaran Mitra in Action 🌱

Our young Paryavaran Mitras enthusiastically participated in the Dainik Bhaskar tree plantation campaign today, reaffirming their commitment to protecting Mother Earth.

With tiny hands and compassionate hearts, our students planted saplings, taking a meaningful step towards a greener, healthier, and more sustainable future. Such initiatives not only nurture the environment but also instil in children a lifelong sense of environmental responsibility and stewardship.

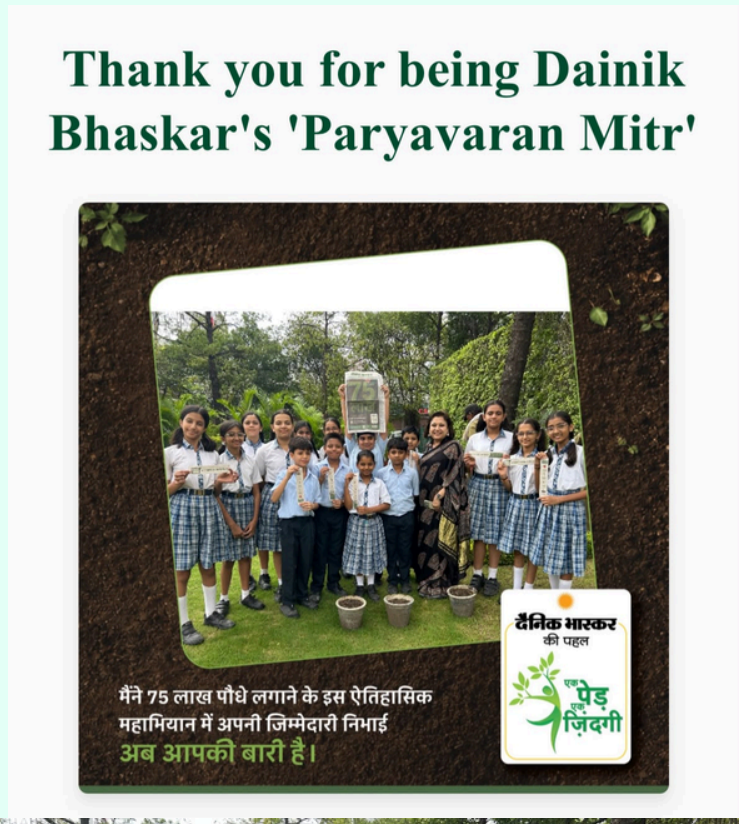

Every sapling planted today is a promise of hope for tomorrow.

“Plant a tree today, and gift generations a better tomorrow.” 🌿

Our Montessori children enthusiastically participated in a Community Helpers Dramatic Play activity. Through this engaging role-play, they stepped into the shoes of different community helpers and explored their roles, responsibilities, and importance in our everyday lives.

The activity beautifully nurtured their confidence, communication skills, empathy, and gratitude towards the people who serve our community. The children participated with great enthusiasm and thoroughly enjoyed this fun-filled, meaningful, and enriching learning experience.

Smart Me: Balancing Technology and Life

The assembly at Bal Mandir commenced with an energetic aerobics session, which was followed by an engaging static electricity experiment. During the demonstration, students observed how rubbing a balloon creates a static charge capable of attracting light objects. The experiment beautifully illustrated a deeper message: just as an invisible force can lift paper, kind words possess the power to uplift individuals in life.

Subsequently, students presented an impactful skit titled "Smart Me: Limiting Screen Time." The presentation highlighted the negative effects of excessive screen time on academic studies, reading habits, outdoor recreation, friendships, and family relationships. The performance successfully encouraged children to make healthier lifestyle choices, concluding with a powerful takeaway message: "Use technology, but don't let technology use you!"

Field Trip to the Zoo – Jr. Montessori 🚌🌿

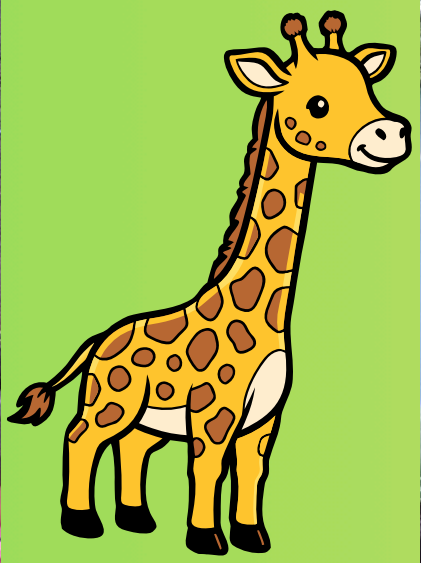

A joyful and enriching field trip to the zoo was organized for the students of Jr. Montessori on 7th July (Tuesday). The visit provided the children with a wonderful opportunity to observe a variety of animals and birds 🦁🐒🦓🦚 in a real-life environment, making their learning more meaningful, engaging and enjoyable.

A total of 180 children went to the zoo and they were accompanied by teachers and support staff who ensured their comfort and safety throughout the journey. The visit also helped in nurturing a sense of love for nature, kindness towards animals, and awareness about wildlife 🐾 . It encouraged observation, experiential learning, and joyful participation among the children.

The children were also served biscuits and Frooti 🍪🧃 , which added to their joy and made the outing even more delightful 😊💛.

Overall, the outing was a memorable and valuable experience for the little learners, who returned with happy faces, exciting memories, and meaningful learning

EVS Speaking Activity

Each child enthusiastically took on the role of a different part of a plant 🌱🌼 and introduced themselves in 3–5 simple lines. 🗣️✨

This fun-filled activity beautifully integrated EVS with English, allowing students to strengthen their science concepts while building confidence in public speaking in an engaging and child-friendly way.

Our Montessori children embarked on a joyful Nature Trail Walk, immersing themselves in the beauty of nature. They explored a variety of leaves, plants, and trees with great curiosity and excitement. The children were fascinated by God's wonderful creation and eagerly observed the vibrant world around them.

Through this enriching experience, they learned about the different parts of a plant and understood the importance of plants and trees in our lives. The activity fostered observation skills, environmental awareness, and a deep appreciation for the gifts of nature.

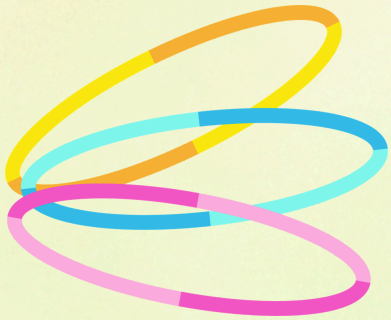

Hoola Hoop Tunnel Race Activity – Jr. Montessori

The little learners of Jr. Montessori enthusiastically participated in a fun-filled Hoola Hoop Tunnel Race Activity 🏃‍♀️🏃‍♂️⭕🎉. The activity was thoughtfully planned to strengthen their gross motor skills, balance, coordination, agility, and teamwork 🤸‍♂️💪🌟. With cheerful smiles 😊 and great excitement 😄, the children eagerly crawled and moved through the hoola hoop tunnel 🚶‍♂️⭕🚶‍♀️, making the session lively, energetic, and full of joy 🎈🎊. It was a delightful learning experience that promoted confidence, active participation, physical fitness and happy learning

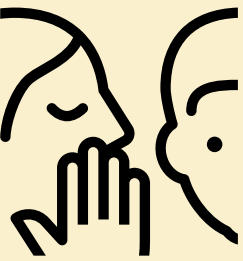

गतिविधि – "अफवाह की श्रृंखला"
(कक्षा चौथी के सभी वर्गों में)

गतिविधि - एक संदेश एक विद्यार्थी से दूसरे विद्यार्थी तक कानों-कान पहुँचाया गया। अंत में संदेश की तुलना मूल संदेश से की गई, जिसमें कई परिवर्तन दिखाई दिए। इस गतिविधि के माध्यम से विद्यार्थियों ने समझा कि बिना सत्य जाने किसी भी बात को आगे बढ़ाना उचित नहीं है। सभी बच्चों ने उत्साहपूर्वक भाग लिया।

गतिविधि का नाम: लिंग

कक्षा: 4 फ

उद्देश्य: पुल्लिंग-स्त्रीलिंग की पहचान कराना

सामग्री: शब्द फ्लैशकार्ड, 2 कप

प्रक्रिया: बच्चों ने कार्ड पढ़कर पुल्लिंग/स्त्रीलिंग पहचानकर सही कप में डाला

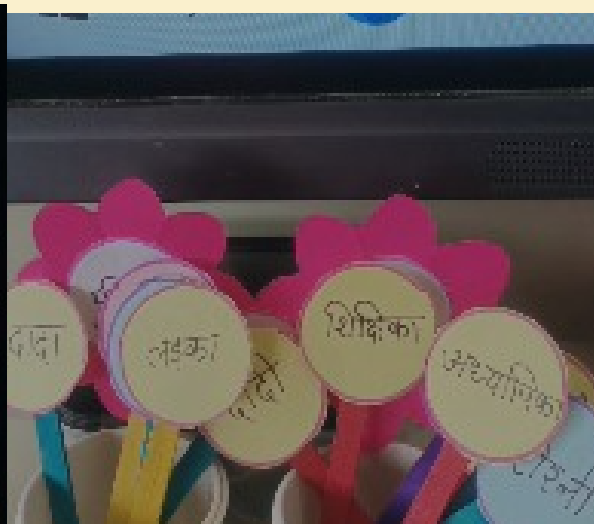

परिणाम: सभी बच्चों ने सही वर्गीकरण किया। शब्द ज्ञान, वर्गीकरण क्षमता और व्याकरण समझ में वृद्धि देखी गई।

निष्कर्ष:

गतिविधि द्वारा सीखना प्रभावी रहा। बच्चे उत्साहित थे और अवधारणा आसानी से समझ पाए। जिससे बच्चों में एकाग्रता बढ़ी। नए शब्दों का भंडार बड़ा।

Spellethon 2026

Our budding spellers from Classes 1 to 4 participated in the school "Spellethon" with full zeal!

From simple words to tricky spellings, our students showed great vocabulary, confidence and quick thinking.

Overall, the Spellethon was a great success and promoted a love for the English language among all students.

Jadui Pitara – Rainy Season ✨🌈

Our Montessori children joyfully explored the Jadui Pitara – Rainy Season activity, discovering the wonders of the monsoon through fun, interactive learning. ☔🌦️ From clouds, raindrops, and rainbows to frogs and umbrellas, every element sparked curiosity and excitement. 🐸🌈💧 The activity enhanced observation, language, sensory, and cognitive skills while making learning magical and enjoyable.

Montessori Children Enjoying Monsoon Season

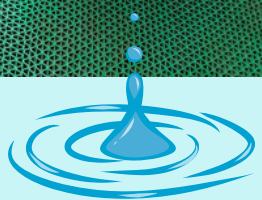

Super excited to welcome Corduroy

The children of Senior Montessori were super excited as they warmly welcomed their new Corduroy. Their faces lit up with delight as they eagerly gathered around their adorable new companion.

It was a heartwarming moment that beautifully reflected the values of love, friendship, sharing, care, and togetherness, creating a happy and memorable beginning for our little learners.

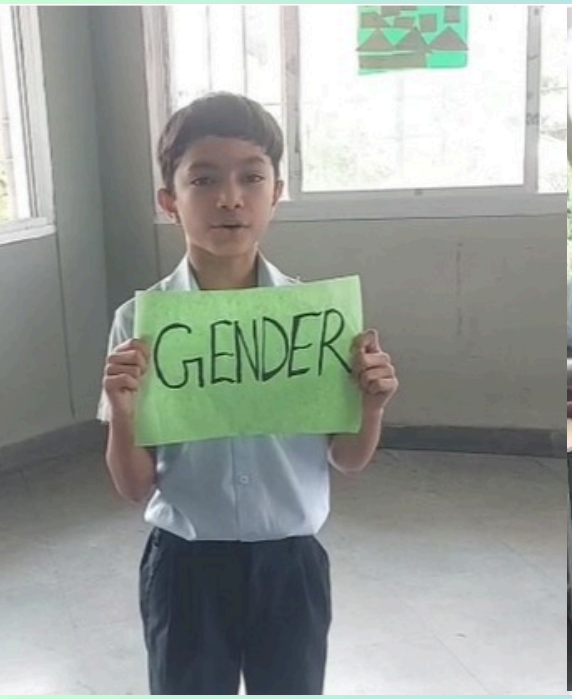

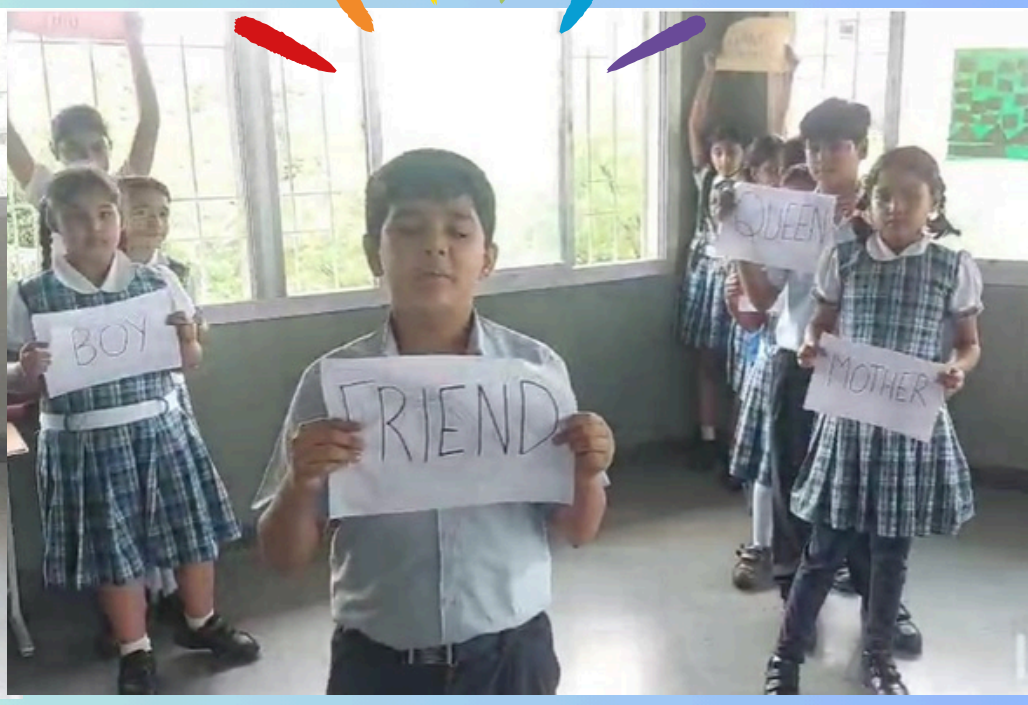

GENDER Activity

Children of class 4 C enjoyed and learned through an activity, the topic- "Gender" wherein they classified various words as per their gender.

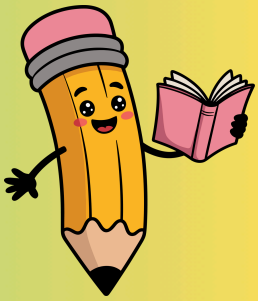

They not only grasped the topic thoroughly but also loved doing the activity.

NOUN ACTIVITY

Learning came alive as the enthusiastic learners of Class 3 explored the world of Common and Special Names through an engaging flashcard activity. By reading and thoughtfully sorting the flashcards into the correct categories, the children strengthened their understanding of the concept. This joyful hands-on experience transformed grammar into a fun and meaningful learning adventure.

Weaving Activity – Making a Paper Mat

As part of the EVS lesson "Clothes We Wear," students of Class 2 explored the art of weaving through a fun and hands-on activity. Using colourful paper strips, they practised the simple over-and-under weaving technique to create beautiful paper mats.

The activity helped children understand how threads and fibres are woven to make different materials and fabrics. It also developed their fine motor skills, creativity, concentration, and hand-eye coordination.

🌈 " Learning by doing " made the concept of weaving simple, enjoyable, and memorable!

Sensory Walk – Learning Through Exploration

Our little learners enjoyed an exciting Sensory Walk, exploring different textures like soft, hard, wet and dry through hands-on learning.

This engaging activity enhanced their sensory awareness, observation skills, vocabulary, and confidence, making learning fun and meaningful.

“Little feet, big discoveries!”

Spreading the wisdom of Lord Ganesha through the purest voices. Our tiny nursery kids are sharing their knowledge about lord Ganesha.

Computational Thinking & AI:

We are delighted to share that our paper has been selected for the CBSE District Level Deliberation on CT & AI. We are proud to inform that our school has secured 1st position among the top three selected papers.

Our case paper:

Title: Mission Lost Campus: A Progressive Computational Thinking Framework for Building AI Readiness through Real-World School Navigation Challenges Across Grades 3–8

Theme: Computational Thinking and Understanding AI

Sub-theme: Foundations of Computational Thinking (CT) and AI Readiness

We have chosen the activity "Mission: Lost Campus" which was conducted for students of Grades 3 to 8. It is based on a real-life scenario where all the school signboards and labels are removed and students learn how to navigate the campus and give directions using Computational Thinking and AI concepts.

This presentation, video and activity are the combined efforts of the Grades 3 to 8 Computer Department teachers .

एक पेड़ माँ के नाम

Little Hands, Mighty Trees

With little hands and hearts so bright,
We plant young trees in morning light.
A tiny sapling, green and small,
Will one day stand so proud and tall.

Each leaf will dance in gentle breeze,
Each branch will shelter birds and bees.
With every seed that we now sow,
A greener, happier world will grow.

The Earth smiles wide when children care,
Filling the world with love to share.
We make a promise, strong and true—
To guard each tree in all we do.

For every tree we plant today,
Will bless tomorrow in its way.
Together, hand in hand we strive,
To keep our precious planet alive.

Plant a tree, let nature sing;
Hope and life from roots will spring.
Children's dreams and forests grow—
The greatest gift we'll ever know.

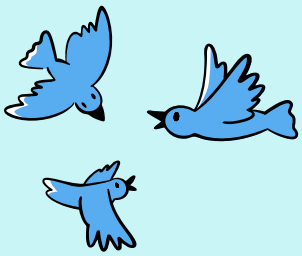

Ek Ped Maa Ke Naam

Today we planted dreams so small,
That one day will stand proud and tall.
A tiny sapling in the ground,
A gift of love, so pure and profound.

For every mother who gives us care,
We plant a tree with love to share.
Like her embrace, its branches spread,
With hope and joy where we are led.

Its roots will hold the Earth so tight,
Its leaves will fill the world with light.
Birds will sing and flowers bloom,
Chasing away all fear and gloom.

A tree is nature's loving song,
Teaching us where we belong.
With grateful hearts, we proudly claim,
"One Green Gift-Ek Ped Maa Ke Naam."

Let every child take this vow today:
To help our forests grow each day.
For when we care for every tree,
We build a brighter destiny.

CLASS ASSEMBLIES

The students of **6 A** presented a meaningful and value-based assembly on the theme **"Unity in Diversity."** The assembly beautifully highlighted the importance of staying united despite our differences.

Through the recitation of a patriotic poem and a soulful group song, the students conveyed the powerful message, "United we stand, divided we fall." Their enthusiastic participation and confident performances made the assembly meaningful, inspiring, and memorable.

Overall, the assembly effectively conveyed the values of unity, harmony, and togetherness, leaving a lasting impression on everyone present.

The Grade 7 A assembly on the theme मातृ देवो भव, पितृ देवो भव was a heartfelt tribute to parents and their invaluable role in a child's life. It commenced with a melodious song 🎶 dedicated to parents, accompanied by a floral welcome 🌺 as students showered flower petals on the invited parents, creating an atmosphere of love, gratitude, and reverence.

🖼️ An attractive PPT enriched with family photographs added emotional depth to the presentation. The highlight of the assembly was a thought-provoking skit 🎭 depicting a child's journey of self-realization , leading to the understanding that parents are God's greatest gift to every child. This was followed by a self-composed poem ✍️ that beautifully celebrated the sacrifices, unconditional love, and unwavering support of parents.

💃 A mesmerizing dance tribute, interwoven with touching emotional acts, captivated the audience and left many deeply moved. As a special surprise 🎁, the students presented handmade thank you cards 💌 to their parents as a token of love and gratitude.

The assembly was much appreciated by all.

The children of 7 B presented a meaningful and inspiring assembly titled "⏸️ Pause in Anger, Act in Peace ☮️", based on the teachings of Sri Sathya Sai Baba 🕉️

🎭 Through an engaging skit, the students portrayed how anger 😡 can affect relationships at home 🏠, in school 🏫 and among friends 👫.
The presentation beautifully demonstrated that by ⏸️ pausing, 🤔 reflecting and practising the Five Human Values.

1. सत्य Truth ✅
2. धर्म Right Conduct 🙏
3. शांति Peace ☮️
4. प्रेम Love ❤️
5. अहिंसा Non-Violence 🕊️

We can overcome anger and make better choices 💡

📜 A heartfelt poem ✍️ and inspiring messages 💬 reinforced the importance of kindness 🤝, patience ⏳, forgiveness 🌷 and self-control 💪 in our daily lives.

🌟 The assembly concluded with the powerful message:
"The greatest victory is the victory over one's own anger." 🏆

The thought-provoking performance was appreciated by everyone 👏 and left a lasting impression on the audience, encouraging them to practise these values and contribute towards building a happier, more peaceful and harmonious society

LOVE
PEACE
DHARM

The Class Assembly of Grade 7 C on the theme 'The Ripple Effect of Gurus' was presented beautifully by the students. Through inspiring performances, they depicted how association with and devotion toward our Gurus transform lives while highlighting the five human values—Truth, Right Conduct, Peace, Love, and Non-Violence—as taught by Bhagwan Sri Sathya Sai Baba.

The assembly began with a beautiful self-composed poem by Maitri Mishra on the importance of a Guru.

The assembly also beautifully conveyed Bhagwan's teachings through the analogy of the pencil, the sharpener and the eraser. Just as a pencil needs sharpening to bring out its true potential and an eraser helps correct mistakes, the guidance and discipline imparted by teachers shape students' character, refine their abilities, and inspire them to learn from their shortcomings. The students emphasized that the wisdom and nurturing provided by Gurus enable young minds to grow into responsible and compassionate individuals.

The assembly was much appreciated by all.

SRI SATHYA SAI VIDYA VIHAR
INDORE

"Every setback is a setup for a stronger comeback."

The students of Grade 7 D conducted a thought-provoking and inspiring class assembly on the theme "Failures Are the Stepping Stones to Success."

The assembly began with an engaging Visual Quiz highlighting renowned personalities who turned their failures into remarkable achievements.

A creative Rhyming speech highlighted that Failure is a part of Success.

This was followed by the melodious rendition of the song Group Song Aashayein, which filled the atmosphere with hope and positivity.

A captivating dance performance and a creatively presented Mime Act- camera beautifully conveyed the message that failures are not the end but valuable lessons on the path to success.

Hindi poem on "We to Rise" motivated all.

Through their outstanding performances, the students demonstrated immense creativity, confidence, and teamwork.

The class assembly left the audience inspired with the powerful lesson that every failure brings us one step closer to achieving our goals.

The assembly presented by the students of Class 7 E was a wonderful blend of learning, creativity, and entertainment. Based on the thought-provoking theme "Ceiling on Desires – The Key to a Balanced Life," the assembly beautifully highlighted the importance of understanding the difference between our needs and wants.

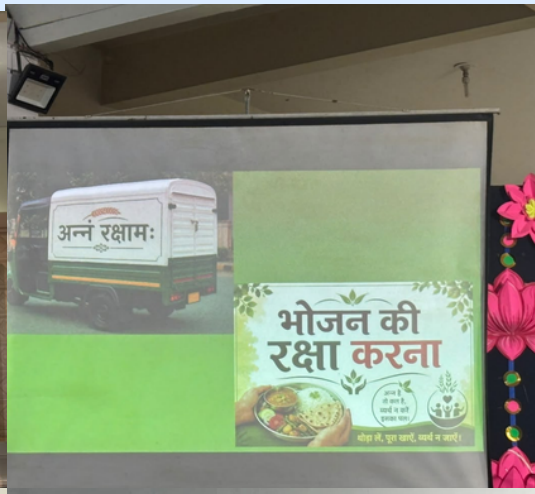

The assembly began with great enthusiasm and confidence, followed by a graceful dance, melodious song, and a series of humorous and meaningful skits. The funny skits not only entertained the audience but also conveyed strong and relevant messages about how unchecked desires can lead to stress, dissatisfaction, and imbalance in life.

Through their performances, the students effectively demonstrated that while our needs are essential for a happy and healthy life, excessive wants can make us restless and dissatisfied. The presentation encouraged everyone to practise contentment, make wise choices, and develop a balanced approach towards material desires.

The assembly was appreciated by everyone and left the audience with a meaningful thought: A truly balanced life begins when we learn to put a ceiling on our desires and be grateful for what we have.

The students of 7 F presented a meaningful and value-based assembly on the theme "Helping Hands Build Strong Bonds". The assembly beautifully highlighted Bhagawan Sri Sathya Sai Baba's message, "Help Ever, Hurt Never," and emphasised the values of love, compassion, cooperation and selfless service.

Through a classroom skit, a family-based presentation, a soulful group song and a patriotic presentation on the Kargil War, the students conveyed that helping others, spending quality time with family and extending support during difficult times can strengthen relationships and build lasting bonds.

The assembly concluded with a special painting presented to the respected Principal Ma'am by the students as a token of love and gratitude.

The students participated with great enthusiasm and confidence, making the assembly meaningful, inspiring and memorable.

The students of Grade 8 C presented a stupendous assembly on the profound theme, "Be the Change You Wish to See in Others." The students brought the topic to life through a captivating role-play, beautifully augmented by a deeply moving self-composed poem and an energetic dance performance.

To drive the message home, the presentation highlighted the inspiring lives of Mahatma Gandhi, who championed peaceful change through personal action and Kapil Dev, who led by example to transform the landscape of Indian sports.

The spectacular showcase of talent, teamwork and leadership was much appreciated by all.

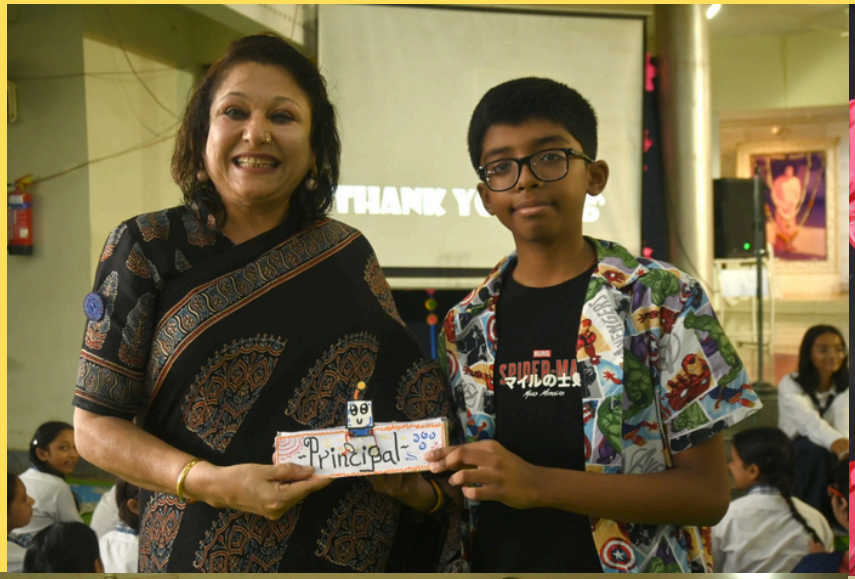

The students of Grade 8 D put up a really thoughtful assembly on "Digital Discipline: Use Technology, Don't Let It Use You". They told the story through a skit about Arav, a boy who was glued to his gadgets and never listened to his elders. His Grandma steps in and gently shows him both the good and bad sides of screens, helping him see why balance matters.

To keep everyone hooked, the assembly had a bit of everything: a fun robot vs human face-off, some comedy bits that had everyone laughing, plus dance performances and a song that got the whole hall clapping.

The takeaway was simple but strong: technology is great when we control it, not when it controls us. You could really see the talent, teamwork and confidence of the students on stage and the audience loved it.

The assembly came to an end with a reminder that we all needed: set limits, enjoy family time, and know when to log off.

The students of 8 E conducted a meaningful and thought-provoking morning assembly on the theme "Save Earth, Save Future." The assembly aimed to create awareness about the urgent need to protect our environment and inspire everyone to become responsible guardians of nature.

Through a heartfelt role-play, students portrayed the roles of a Tree, Bird, River, and Mother Earth, beautifully expressing the pain and suffering caused by pollution, deforestation, and the reckless exploitation of natural resources. Their powerful performances conveyed an important message about the need to restore harmony between humans and nature otherwise our future generations will have to suffer.

The assembly also featured a graceful dance performance that highlighted the beauty of our planet and emphasized our collective responsibility to preserve the rich heritage of Mother Earth.

The assembly served as a gentle reminder that every small step taken today can help secure a healthier and brighter future for generations to come.

The students of 8 F conducted a captivating and thought-provoking morning assembly on the theme "Attitude Determines Altitude." The presentation began with a powerful opening by the narrators, drawing the audience into a reflective space. Through a well-structured role play, the students illustrated how one's mindset shapes success. The expressive acting and smooth flow of dialogues made the message impactful and memorable. 🎭

The assembly portrayed contrasting attitudes through relatable classroom scenes, followed by inspiring segments from mythology. The depiction of determination and self-belief added depth to the theme. Each performer displayed confidence and coordination, reflecting sincere preparation. The audience remained engaged throughout the presentation. 🌟

Adding vibrance, a motivational song was melodiously sung by the students, filling the atmosphere with positivity. This was followed by an enthusiastic dance performance that uplifted everyone's spirits. The blend of music and movement reinforced the central message in an engaging way. 🎶

The assembly concluded on an inspiring note, leaving a lasting impression.

Everyone appreciated the efforts, creativity, and confidence of the children. Principal, Dr. Anju Chopra, praised the childrens' ability to present a meaningful message with clarity.

Overall, the assembly was a great success, motivating all to adopt a positive attitude.

30th July, 2026 was a day of–

Patriotism 🇮🇳, Devotion 🙏, Expression 🎤 and Gratitude ❤️

We are delighted to share glimpses of our joyful Bagless Day organised for children of Grades 5 – 8.

The day began with soulful Bhajans followed by an interesting video showcasing the transformation of the Indian Flag.

The children enthusiastically participated in the Inter-house Extempore Competition 🎤, expressing their views confidently.

A video on Kargil Vijay Diwas – a tribute 🎖️ to our brave soldiers was also shown.

The children enjoyed the popcorn 🍿 treat.

The children also made beautiful Rakhis for their brothers in uniform. These Rakhis will be sent to our brave soldiers at the borders ❤️🇮🇳.

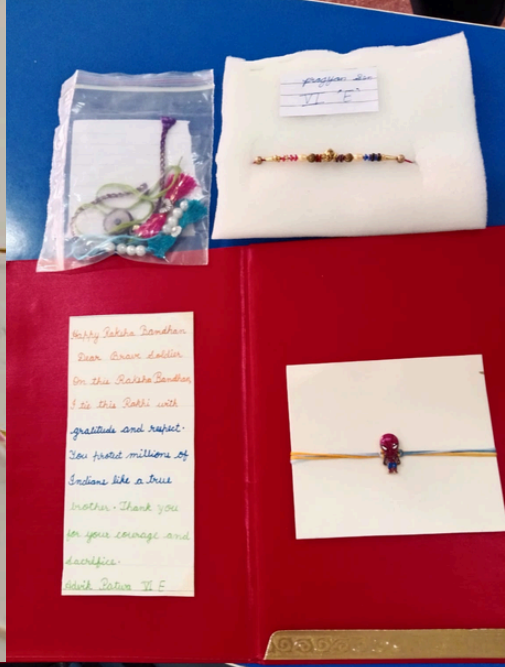

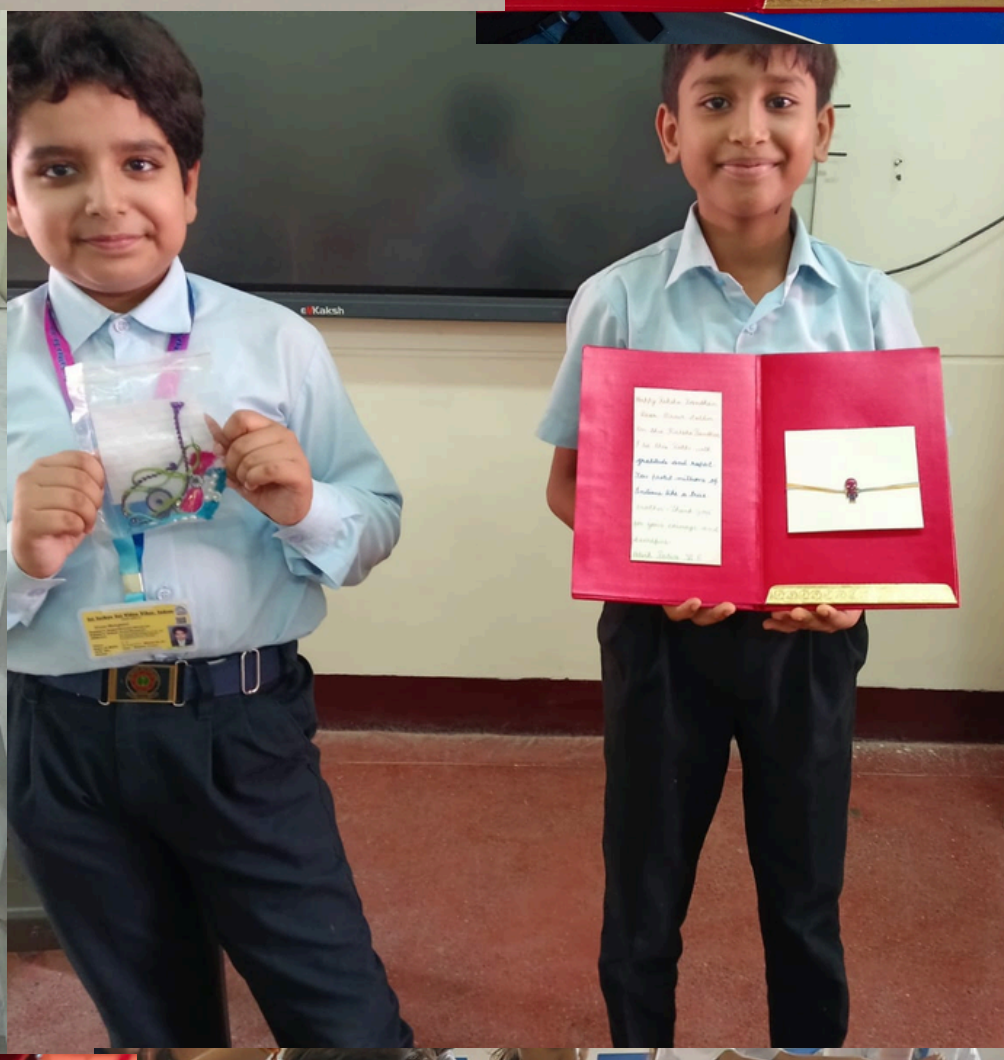

Raksha Bandhan is a celebration of love, gratitude and the enduring bond of protection. On this special occasion, our children expressed their heartfelt appreciation for the brave soldiers who safeguard our nation day and night. They lovingly prepared Rakhis for these brothers in uniform, who may be far from their own families while serving the country. Each Rakhi, carefully made by little hands, carried a silent prayer, a warm wish and a message of gratitude. Through this thoughtful initiative, the children learnt that Raksha Bandhan is not merely about celebrating bonds within families, but is also about honouring those who dedicate their lives to protect our freedom, safety and motherland.

Happy Raksha Bandhan
Dear Brave Soldier,
On this Raksha Bandhan,
I tie this Rakhi with
gratitude and respect.
You guard millions of
Indians like a true
brother. Thank you
for your courage and
sacrifice.

Our school campus was blessed with a heartwarming initiative where children from Mahesh Drishtiheen Blind School visited us to sell their beautiful handmade Rakhis. Our staff and students bought Rakhis wholeheartedly. All students showed great enthusiasm and loved the Rakhis made with so much hard work and love.

Every Rakhi purchased was not just a thread but a smile , encouragement and support for them. It was a truly meaningful and joyful celebration of Raksha Bandhan that taught our students compassion and kindness.

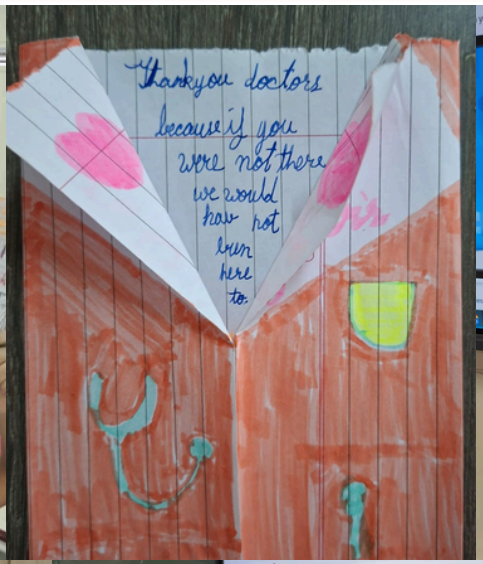

MUB Activity - National Doctor's Day (Grade 5)

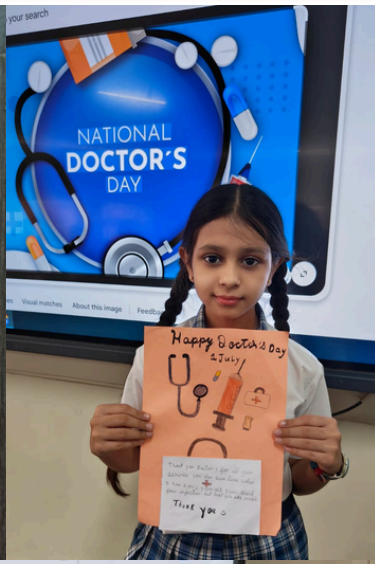

An engaging Doctor's Day activity was conducted for all Grade sections to help students understand the importance of doctors and their invaluable service to society. 👨‍⚕️👩‍⚕️

Students enthusiastically participated in a classroom discussion, read informative content, created heartfelt "Thank You" cards 💌 and colourful posters 🎨, and took part in an interactive quiz 📝.

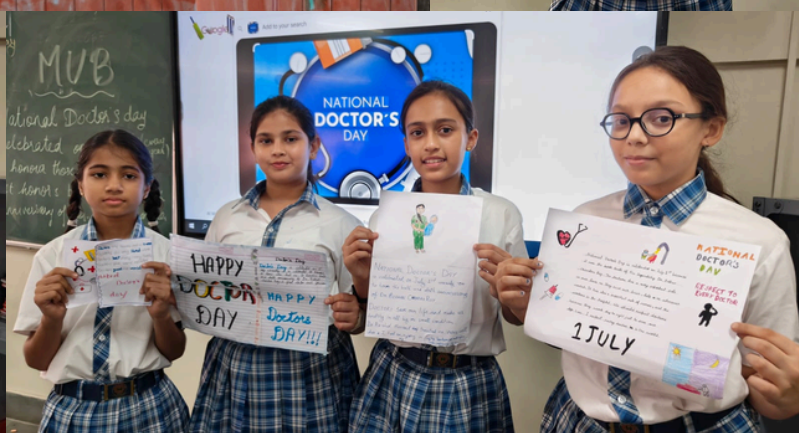

✨ The activity successfully nurtured gratitude, empathy, and respect for the medical profession while making learning enjoyable and meaningful.

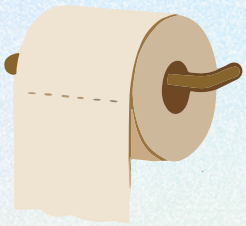

MUB Activity Report – Grdae 5

Topic: Cleanliness and Hygiene

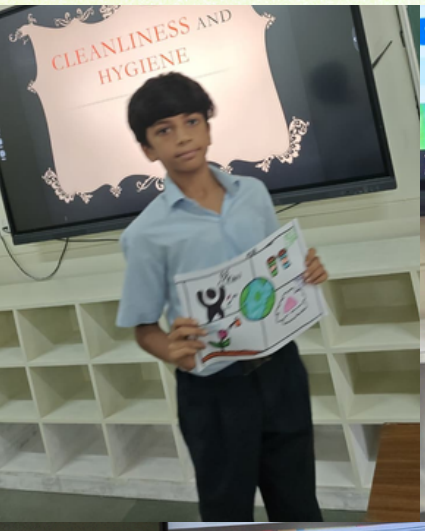

Date: 31st July to 7th August, 2026

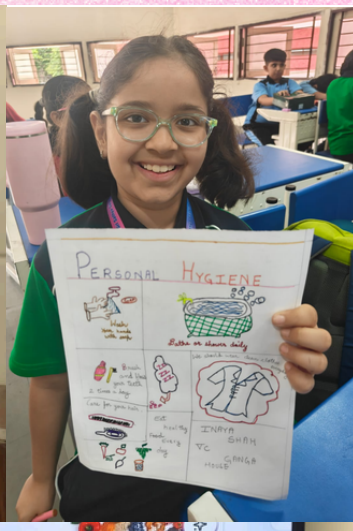

The students of Grade 5 enthusiastically participated in the MUB Activity on the theme **"Cleanliness and Hygiene."** Through a variety of engaging activities such as slogan writing, poster making, speech presentations, and an informative skit, students learnt the importance of maintaining personal hygiene and keeping their surroundings clean.

The students pledged to practise good hygiene, maintain a clean environment, and inspire others to adopt healthy habits.

Outcome: The activity helped students develop awareness about cleanliness and hygiene, encouraged responsible behaviour, enhanced their creativity and communication skills, and inspired them to become active contributors towards a healthier and cleaner society.

MUB Activity Report – Grade 5 🇮🇳

Topic: States of India 🇮🇳

Date: 6th July to 11th July 2026.

✨ The students of Grade 5 enthusiastically participated in the MUB Activity on the topic "States of India." Through interactive discussions, maps, and presentations, students explored the names of different Indian states, their capitals, famous landmarks, traditional dresses, festivals, languages, and cultural diversity. 🗺️🏛️🎉

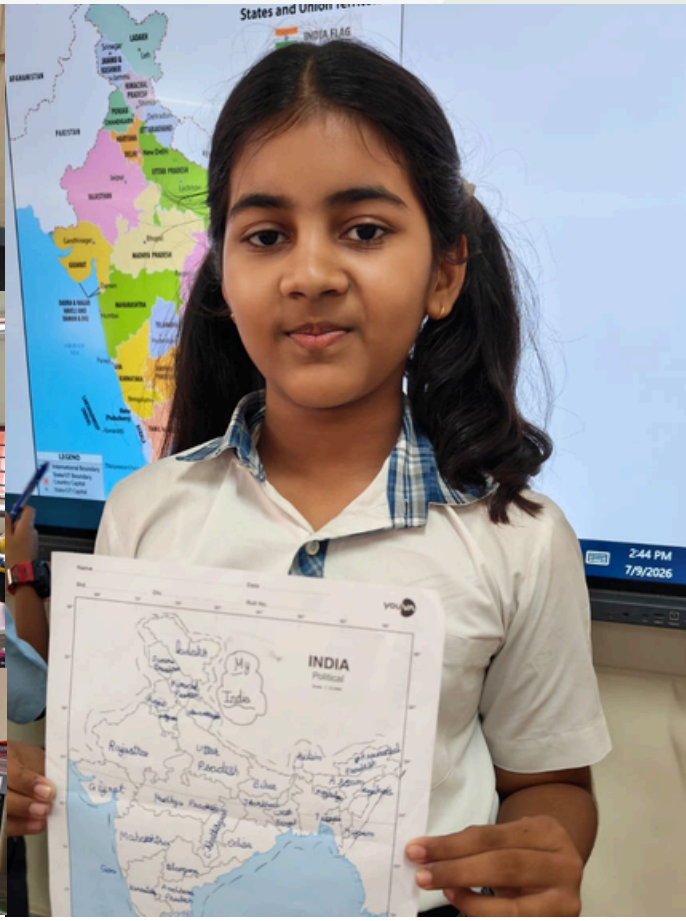

🤝 The activity encouraged teamwork, improved map-reading skills, and strengthened students' understanding of India's rich heritage and unity in diversity. 🌈📚

🎯 Outcome : The activity enhanced students' geographical knowledge, cultural awareness, and appreciation for the diversity that makes India unique.

An Inspiring T&D Talk

Riti Naval of class X delivered an impressive and thought-provoking TED Talk today in the school assembly.

Her articulate presentation, confident demeanour, and insightful ideas reflected not only depth of knowledge but also the ability to inspire and engage the audience.

Her eloquence and clarity of thought are truly commendable.

The children who have opted for Fine Arts in class XI & XII had the privilege to attend an Open House Design Workshop at Labh Mandapam- Abhay Prashal organised by UID Design Disha , a reputed University of Ahmedabad.

Only the top schools of Indore had received the invitation for the workshop.

The children were taught nuances of creating innovative posters, communication design and designer garments.

The students of Grade 10 had gone for an industrial visit to Shivani Detergents Pvt Ltd., Asia's biggest manufacturing unit for production of surf and detergent. The students and teachers were welcomed by the staff with sumptuous breakfast. In an extensive tour of the plant the students visited the various departments of the plant and understood the production process of detergent and bar. They also got an understanding of the operations of the automated packing machine and production control through the software. The students interacted with the Director of the company and presented their feedback and suggestions. It was an insightful visit for the students and as social science students they were able to connect the subject with a real time understanding. The management of the company generously distributed the packets of surf and detergent to the staff, students and support staff.

Sargam
FAST ACTION

The Biology students of Grades 11 & 12 visited Choithram Hospital and Research Centre, Indore, for a live demonstration of an open-heart surgery (Mitral Valve Replacement) performed on a 49-year-old woman.

The procedure was successfully conducted by Dr. Sudhanshu Agnihotri, Chief Cardiac Surgeon, while Dr. Sagheer Ahamad and Dr. Paritosh Rajput provided a detailed explanation of each stage of the surgery and enthusiastically addressed the students' queries.

The surgical procedure was explained in great detail, with special emphasis on the techniques, instruments, and advanced medical technology involved.

Students also watched prerecorded demonstrations of angiography, angioplasty, and ASD (Atrial Septal Defect) heart surgery, which further enhanced their understanding of modern cardiac procedures.

The workshop concluded with a prize distribution ceremony. We are proud to share that Jahnavi Chouhan of Class XI-B won the First Prize for asking the best question, while Shourya Gupta of Class XI-B received a Special Appreciation Award for his insightful question.

Overall, the visit was an enriching and highly informative learning experience that provided students with valuable exposure to the field of cardiac surgery. It not only deepened their understanding of human anatomy and medical science but also inspired many of them to explore careers in healthcare and medical research.

The Undergraduate Management Education Summit at IIM Indore

Our school had the privilege of attending the Undergraduate Management Education Summit organized by the prestigious Indian Institute of Management Indore.

The summit commenced with an inspiring inaugural address by Himanshu Rai, Director of IIM Indore, followed by a welcome address by N. Ravichandran, Former Director of IIM Indore.

The event featured insightful panel discussions with eminent Directors, Chairpersons, alumni, professors, and academicians from IIMs across India and distinguished experts from around the world. The sessions focused on the Integrated Programme in Management (IPM), undergraduate management education, and the evolving role of management in today's dynamic world.

The summit offered valuable insights into higher education, leadership, and career opportunities in management, making it an enriching and memorable learning experience for all participants.

Visit to Psychiatric Establishment

A field visit to a psychiatric care "Swadhyay" was organized for Class 12 Psychology students to provide practical exposure to clinical psychology and mental health care. The visit aimed to bridge the gap between theoretical concepts and real-world application.

The establishment is by the eminent neurologists of the city and is recognized for its comprehensive mental health services. Students were guided throughout the visit by the senior clinical psychologists who explained clinical procedures, ethical practices, and patient care protocols. Students interacted with real cases under supervision. They observed symptoms, discussed patient history, and learnt how case histories are documented. They were shown how clinical interviews are conducted, the importance of rapport building, and the role of psychological testing in diagnosis. Students clarified doubts regarding treatment approaches, rehabilitation, and the role of psychologist's vs psychiatrists. They gained first-hand experience of clinical settings, which textbooks alone cannot provide. Direct interaction helped students understand the manifestation of psychological disorders and the significance of detailed case history. Insights from the senior clinical psychologist helped students understand ethical responsibilities, empathy, and confidentiality in mental healthcare. The visit motivated many students to consider clinical psychology as a career and understand the interdisciplinary nature of mental health treatment.

The field visit was highly informative and successful. It provided students with practical knowledge, enhanced their observational skills, and deepened their understanding of mental illness beyond theoretical learning. Such experiential learning is vital for students aspiring to enter the field of Psychology.

Discovering the Difference Between Tortoise, Turtle and Terrapin

During my recent visit to Mathura and Vrindavan, I also had the opportunity to visit Keoladeo National Park in Bharatpur, a beautiful city in Rajasthan located close to Mathura, the sacred city associated with Lord Krishna. Bharatpur is barely 22 kilometers from Mathura and is renowned for its rich natural beauty and wildlife.

Inside Keoladeo National Park, I saw a small pond inhabited by giant turtles. A forest guard took me near the pond and made a peculiar sound. To my surprise, many large tortoise-like creatures slowly emerged from the water. We offered them flour and after feeding peacefully, they quietly disappeared back into the depths of the pond. The experience was both fascinating and memorable.

Earlier, I had seen tortoises in my village too, but these were much larger than the ones I had previously observed. This made me curious to know more about them. Later, while reading a book, I learned that there are broadly three related categories namely, Tortoise, Turtle and Terrapin.

Tortoises are land-dwelling reptiles with heavy dome-shaped shells and strong legs. Turtles are mostly aquatic and are excellent swimmers, while terrapins usually live in freshwater or brackish water habitats.

These species play an important role in maintaining the ecological balance by controlling insects and aquatic vegetation, supporting biodiversity and preserving the harmony of nature. Learning these distinctions was truly an enlightening experience for me.

TEACHER

inspire • educate • encourage

The dreams we once held closely in our
hearts, you have gently taken and
transformed into our reality.

A dream is fragile, soft and small,
Afraid to speak, afraid to fall.

But in your room, the shadows fade,
A safe and quiet heaven made.

You heard the prayers we didn't speak,
And gave a lift when we were weak.

You did not judge the flaws we bore,
Instead, you opened up the door.

You took our small, unpolished dreams,
And showed us what real ambition means.

When we were scared to take the lead,
You planted every single seed.

With patient hands and steady eyes,
You helped our expectations rise.

You never let us stay content,
With half the efforts we had spent.

You guide us through the lesson day by day,
And clear the doubt that try to block our way.

Beyond the text and numbers on the screen,
You teach us values that are left unseen.

With endless patient and a gentle smile,
You make the hardest journey feel worthwhile.

When paths are confusing and choices are blind,
It's your steady wisdom we always find.

The blackboard holds secrets of world yet unknown, But through your narration, the answers are shown.

You turn everyday classroom into a stage,
Where history, science, and dreams turn the page.

Through all the changing grades and passing years, Your words of wisdom echo in our ears.

School is a brighter place because of you.

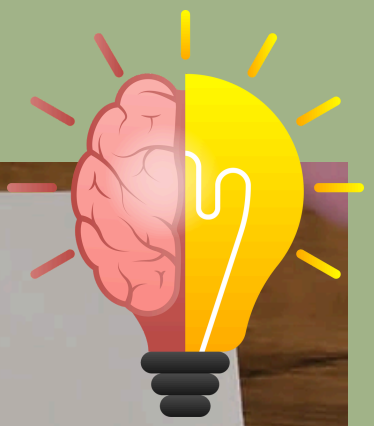

Thankyou for giving wings to what we scheme,
and making real our wildest dreams,
Once again we stand to thank you, deep and true,

Our brightest days belong to you.

Prisha Modi

THINK POSITIVE

Belive in yourself, don't be afraid,
workhard, don't worry about the grade.
If you want success, always move ahead.
Never look back, or you'll fail instead.
Have self-confidence, think positive!
You'll have to be bold, if you wish to dive.
Nothing is impossible, so use your brain.
Once it's on the track, it runs as fast as train.
So, if you don't succeed, try anew.
If you face the sun, all shadows fall behind you.

JUST THINK ABOUT IT

What if the greatest life lessons weren't hidden in expensive seminars or motivational books? What if they were sitting quietly on your study table, in your kitchen, or hanging on your wall? Sometimes, the ordinary objects we overlook every day have extraordinary lessons to teach us—if we simply pause and think about them.

Take bread and jam, for example. Most of us have loved it since childhood. Today, many of us enjoy coffee from expensive cafés. But can we really compare the two? Of course not. Each has its own place, value, and purpose. In the same way, comparing ourselves with others is unfair. Every individual has a unique journey, strengths, and story. Life is not a competition of who is better; it is a journey of becoming the best version of ourselves.

Now, look at a watch. It doesn't just tell time—it reminds us that time never stops. How often do we say, "I'll do it tomorrow" or "I'll start next week"? Procrastination quietly steals opportunities. The watch reminds us that the perfect moment doesn't arrive; we create it by taking the first step today.

A table lamp teaches another valuable lesson. It doesn't try to light the entire world. It simply illuminates the space where it is needed most. We, too, don't have to do everything or please everyone. Sometimes, focusing our energy on what truly matters is far more meaningful than trying to be everything for everyone.

Then there is a book. Every book has chapters—some exciting, some difficult. One bad chapter never makes the whole book bad. Similarly, one failure, one mistake, or one difficult phase does not define our lives. There are always more pages waiting to be written.

Finally, there is the mirror. It reflects us exactly as we are—without pretending, exaggerating, or hiding the truth. It reminds us to accept ourselves, to stay genuine, and to grow without losing our authenticity. We all come from different backgrounds, but our dreams are not limited by where we begin. We don't need to fake who we are or flaunt what we have. Being authentic is enough.

The world around us is filled with lessons waiting to be noticed, if we are willing to pause, observe, and reflect.

So, the next time you rush through your day, stop for a moment and just think about it.
"Life doesn't hide its lessons. It whispers them through ordinary things. All we have to do is stop, notice, and just think about it."

BE KIND TO ALL KIND

I LOVE BEING KIND

I like to be kind every day. I share my toys with my friends and help them when they need me. Sometimes I make mistakes but I always say sorry and smile. I love little children and animals. I like to care for them and make them happy. I love everyone with my whole heart because kindness makes the world a happy place.

A Memorable Trip to Mahabaleshwar

During our trip to Mahabaleshwar we also had the chance to tour a renowned Khakhra factory where we saw how contemporary machinery is used to manufacture khakhras from wheat flour, roll them into thin discs, delicately roast them, and pack them in a hygienic manner.

Seeing an original strawberry farm was another unforgettable experience. Strawberry bushes with juicy, bright red fruits hanging between their green leaves were growing near the ground. Farmers detailed the agriculture process, including planting, irrigation, harvesting, and packing. We even harvested fresh strawberries straight from the bushes and relished their inherent deliciousness.

The producers also discussed the multiple uses of strawberries. Fresh strawberries are a nutritious fruit since they are high in vitamin C, antioxidants, fiber and other minerals. They are used to produce jams, jellies, syrups, juices, milkshakes, ice creams, cakes, chocolates, and desserts. In addition to being eaten raw in fruit salads, strawberries are believed to boost immunity, enhance skin health, encourage heart health, and facilitate digestion. Visiting the strawberry farm was an educational and enjoyable experience that gave us a deeper appreciation for the hard work of local farmers.

Feminism Isn’t a Trend - It’s a Responsibility

This is what modern feminism often looks like. The ironies are listed below -

“Your Humor Shows Your Values”

People love posting long paragraph about valuing and respecting women but the next day they get back to sexist jokes, stereotypes and comments.

Which actually shows that respect shouldn't expire 24 hours after a story disappears.

If you can repost feminism but can't challenge a joke what are you really supporting?

Because when someone makes a sexist jokes everyone laugh it off instead of speaking up.

And that silence speaks more than a post ever could.

“Confidence in Him, Attitude in Her”

Girl speaks strongly it is often considered as "attitude" but when a boy speaks strongly he is praised for his "leadership skills"

So maybe confidence isn't the problem but perception is.

“Private Chats Reveal the Truth”

Most people respect women in public but those same people pass objectifying comments and judge women in private chats.

Which proves that - real mindset is shown in private conversations but not in public captions.

“Let Her Finish, It’s Not That Hard”

Ever Imagine, how we say "let women speak" but do we actually let them finish? Not really, we interrupt them in discussions, girls get talked over more, their ideas get ignored until it's repeated by someone else.

“You’re Supportive, Until You’re the Problem”

It is so easy to support feminism generally but it's hard when it calls out your friends or worse , questioning your own behaviour.

And that's where most people step back.

Because support feels easy ,until it asks something from you.

"Not all men"

Sometimes the conversation don't go off-track because of disagreement but by discomfort

Because instead of focusing on the issue people shift the conversation and rush to defend themselves.

And just like that...

Real point gets lost.

“Feminism Is Not Your Trend”

Feminism today often looks like quotes, reels, and trending posts.

It looks good and sounds right

But for many people, it’s more of an aesthetic than a responsibility.

Because as we say women should be independent,

but still judge what they wear, how they live, and what choices they make.

At this point, feminism isn’t lacking awareness but -

It’s lacking honesty.

Because the real question isn’t who supports it online ,it is who actually practices it when no one’s watching.

Take one idea and make it your life. Think it, dream it, and live it every day.

~Swami Vivekananda

When A Brave Steps

Eyes on the vengeance,
Falls the cry of blood,
Last step towards penance,
There calls the sorrow's flood.

Two swords and a shield,
How skilled he is, we know,
Brought them under his wield,
Now the wind may bow.

Crying and begging for shame,
Those culprits are on knees,
Mercy being the only aim,
But too late to appease.

Terrifying screams of thunder,
And a long stare of lightning,
for the situation, not a wonder,
but the Sun began brightening.

There comes the wave of mercy,
But for him, it is a dune,
Then realizes, The warrior nervy,
When saw together, Sun and Moon.

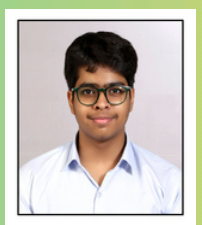

Signs, symbols, forgive !
Echoes of a begging life,
Allowing his heart to relive,
Old memories began to strive.

Swords began to dignify,
Then the shield falls down,
Emotions began to mystify,
And wisdom becomes the crown.

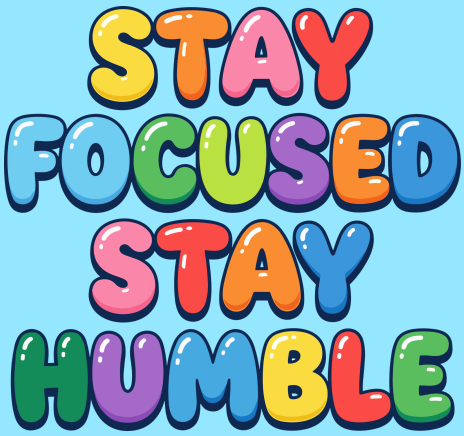

The Vengeance steps back,
And penance calms and rests,
"It is not courage that you lack,
Instead, when a true brave steps."

"The thought of righteousness is the way to fearlessness, but the path of righteousness is what differentiates a brave warrior from a fearless person."

Attitude Determines Altitude

Life is all about the way we think,
It helps us rise, it makes us sink.
Many difficulties come in life,
Some are easy, some bring strife.
Some people feel scared and run away,
They don't even try, they don't stay.
Before solving problems, they feel fear,
So their goals never come near.
But some people are brave and strong,
They keep trying all along.
Problems may be big or small,
Still they stand and face them all.
Even if they fail, they try again,
They don't give up again and again.
They never lose hope, they always try,
And slowly they reach very high.
So our thinking decides our height,
It can make our future bright.
If we stay focused and do what is right,
With a good attitude, we reach great height.

Tea, Biscuits, and Cake

My best nemesis?
It's sloth.

It lures me through a trapdoor,
Then locks in a room named comfort.
It pours me piping hot tea,
Serves biscuits, and cake.
And there I stay.
Because sloth
Consumes me whole.

It drags me behind
As I try to crawl back ahead.
The rocks, the thorns
Pricking me on the way.
So I stay back
As it pours me piping hot tea,
Serves biscuits, and cake.

It sows venom
In the soil of my dreams.
It is not so far away,
That it reaches my core.
This time I shall refuse the piping hot tea,
The biscuits, and the cake.

ज़िन्दगी

गा सको तो ज़िन्दगी एक गीत है
पा सको तो ज़िन्दगी मनमीत है
गढ़ सको तो शिल्प है यह ज़िन्दगी
पढ़ सको तो बन्द पुस्तक है यह ज़िन्दगी
ज़िन्दगी उगती सुबह का नाम है
ज़िन्दगी संघर्ष है संग्राम है
ज़िन्दगी है नाम ढलती छाँव का
राह में छूटे हुए इस गाँव का
थक गए उनके लिए विश्राम है
ज़िन्दगी संघर्ष है संग्राम है
रंग भरो तो चित्र है यह ज़िन्दगी
छेड़े तार तो एक मधुर साज़ है
सुन सको तो यह मधुर संगीत है
सुन सको तो हृदय की आवाज़ है।

- कायरा थावरानी
सातवीं 'ई'

जब जीवन राह अँधेरी हो, गुरु बनते हैं उजजयारा।
भटके मन को राह दिखाते, बनते सच्चा एक सहारा।

गुरु केवल पुस्तक नहीीं, जीवन जीना ससखलाते हैं।
प्रेम, दया, सेवा और सच का, सुंदर पथ दिखलाते हैं।

गगरकर फिर से उठना ससखलाते, जीवन का सींबल बन जाते।
छोटी-छोटी भूल सुधारकर, जीवन को वो सिल बनाते।

गुरु कहते हैं— कमम ही पूजा, हर मानव में ईश्वर देखो ।
अपने सुख से पहले तुम, दुखियारों का दुःख देखो।

श्री सत्य साईं भगवान ने, प्रेम का अमृत बरसाया है
“Love all … Serve all…!” का, दिव्य गुरु मंत्र बताया है ।

“Help ever…Hurt never,” उनका अमर संदेश रहा।
करुणा, सेवा, सिाचार से, सारा जीवन ववशेष रहा।
सारा जीवन ववशेष रहा। सारा जीवन ववशेष रहा।

गुरु वशिस्ठ, संदीपनी, द्रोण, परशुराम
गुरु नानक, सैयदना साहब, पार्थी साईं राम
विद्यासागर , गौतम बुद्ध, श्री कृष्ण पूरण काम
माता पिता विद्यालय शिक्षक,
हम करते सबको प्रणाम।
हम करते सबको प्रणाम।
हम करते सबको प्रणाम।

परोपकार की शक्ति

दिखावे के इस दुनिया में,
जब कोई चुपके से साथ खड़ा होता है,
बिना जताए, वह रिश्ता सबसे बड़ा होता है।
पैसे तो हर कोई दे देता है यहां बुरे वक्त में अक्सर,
पर जो अपना कीमती वक्त दे वही सच्चा हमदर्द होता है।
भीड़ में जो हजारों हाथ मिलते हैं सिर्फ हाथ मिलाने को,
पर एक ही हाथ आगे बढ़ता है गिरते हुए को उठाने को।
कोई कागज़ी समझौता नहीं,
ना ही कोई स्वार्थ का फेरा है,
मदद से जो धागा जुड़ता है उसका एहसास बहुत गहरा है।
नेक इरादे के ये हाथ कभी कमज़ोर नहीं होते,
जो दूसरों को थाम ले, वो खुद कभी बे ज़ोर नहीं होते।
गिरते को उठाने वाले हाथ ही, सबसे मज़बूत चट्टान है,
इन्हीं के सहारे टिकी इस जग की शान है।
मिलाकर कदम जो अंधेरों को मिटाते हैं,
वही बुझे हुए चिरागों में जान लाते हैं।
कर्म की इस लाठी से हर तूफान रुक जाता है,
परोपकार के आगे तो खुदा भी झुक जाता है।
परोपकार के आगे तो खुदा भी झुक जाता है।

माता-पिता

आपने ही तो प्रेम से हमारा जीवन सजाया।
आप ही तो हैं, हर बच्चे की मुस्कान के पीछे का साया
भगवान मनुष्य के स्वरूप में आए
और माता-पिता जैसा अनमोल उपहार दे गए।

हमारी माँगे पूरी करते-करते अपने सपने भी भूल जाते हैं।
हम ही उन्हें दुखी करके, माँफी भी नहीं माँगते हैं।
हम तो जीवन की राह भी न चुन पाते।
अगर हमें माता-पिता न मिल पाते।

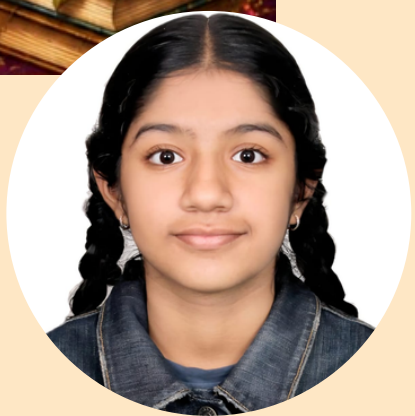

दुख की घड़ी में हँसना सिखाते हैं।
सही और गलत में फर्क बताते हैं।
जीवन की हर मुश्किल से लड़ना सिखाया।
और बुरे लोगों से हमें बचाया।

हम आपके आँसू कभी नहीं बनेंगे,
आपकी सेवा में सदा हाज़िर रहेंगे।
आपने हमारे लिए जो भी किया,
उसका कर्ज़ हम सात-जन्मों तक भी नहीं चुका पाएँगे।

धन्यवाद

The aim of education should be to bring about an all-round development of the personalities of the students. Education should make all virtues emerge and shine forth in students.
